

## **Accuplacer Help**

### ***Accuplacer***

<https://accuplacer.collegeboard.org/>

From the people who write the Accuplacer, this site includes practice tests (online and downloadable) and learning resources (for those that have taken the Accuplacer and are preparing to retake it). There is also an app for your phone.

### ***Union Test Prep***

<https://uniontestprep.com/accuplacer-test>

Union Test prep has free lessons and practice tests for math, reading, and ESL, lessons tips for taking the test, and information on what is on each test. More practice tests are available for a fee.

### ***EdReady***

<https://get.edready.org/goals/placement>

This site has free tutorials, plenty of practice problems, and sample tests for math only.

### ***Mometrix Accuplacer Prep***

<https://www.mometrix.com/academy/accuplacer-test/>

This site has practice tests for the math and reading portions of the Accuplacer. This site also contains lessons for a fee.
