

St. Cloud Technical & Community College Dental Hygienist Program – Information Packet

Welcome!

Health programs have specific requirements for students to complete.

This material is intended to help guide you through the process from beginning to graduating from your intended health major. Staff and faculty are here to assist with your educational journey and look forward to seeing you on campus!

Dental Hygienist Program Description

The Dental Hygienist Program is a full-time, 4-semester program.

- Dental Hygienist program begins each fall semester.
- 14 students are accepted each fall semester.
- 4 semesters: fall, spring, fall, spring

It is a competitive program that requires a thorough application process.

With a dental hygiene degree from SCTCC, graduates are licensed primary healthcare professionals. After learning skills in the classroom, students will take The National Board Dental Hygiene Exam (NBDHE), a clinical board exam, jurisprudence, or state laws exam, and then obtain a license in the state they wish to practice., and then get a license in the state where they want to practice.

Hygienists work in clinical dental settings and provide preventative, educational, and therapeutic services to patients. By promoting public health, dental hygienists help people learn the importance of dental health. Duties include patient assessment, teeth cleaning, taking radiographs and dental images, applying fluoride treatments, providing periodontal therapy, and administering local anesthesia and nitrous oxide/oxygen inhalation.

Dental Hygienist Careers

Potential employers include clinical dental offices, nursing homes, public health agencies, dental and pharmaceutical companies, teaching in dental hygiene education programs and doing dental research.

- The two-year placement rate for the Dental Hygienist program is 100%.
- The average Central MN annual salary range is \$62k to \$81k.

Prospective/Returning Student - Application Process

- Your first step is to apply to SCTCC as a Pre-Dental Hygienist student at <https://sctcc.edu/apply>
- Follow instructions received by Admissions and Records & Registration offices.
- Meet with an advisor to begin the *Current SCTCC Student* process.

Current SCTCC Student / Advisor Meetings - Academic Advising Center

- Current SCTCC students are required to meet with an advisor at least once a semester to receive a registration access code and review their academic plan.
- We encourage students to visit more often with any questions or concerns they may have.
- We are here to align you with resources that are available and help guide you through your educational journey at SCTCC!

Dental Hygiene Program and HESI Admission Assessment Exam (A2)

What does HESI stand for?

Health Education Systems, Inc., and A2 stands for Admission Assessment.

Why is the HESI admission exam being used?

The HESI exam is being used by the Dental Hygiene Program to help evaluate students' academic readiness as part of the selection process.

Students will also be completing a learning style and personality profile assessment.

The learning style and personality profile assessment will not be scored.

When can I take the HESI exam?

Students MUST be invited to take the HESI exam at SCTCC. Students are invited to take the HESI exam after the Dental Hygiene Program applications have been reviewed.

Students that have completed all program requirements and scored a minimum required GPA of 3.0 for the required prerequisites will be eligible to take the HESI examination.

Explicit directions are included in the invitation that is sent via email and mailed letter.

What is covered in the HESI exam?

Eligible students will take the following components of the HESI exam for application to the Dental Hygiene Program:

English:

- Reading Comprehension (60 minutes)
- Vocabulary and General Knowledge (50 minutes)

How long will the HESI exam take?

Applicants should allow about 4 hours to complete the exam (all components listed above). Registration is a separate process and will be done prior to taking the actual exam. Details are explained in the invitation letter.

What is the cost of the HESI examination?

The test will cost approximately \$60 -\$70 (Fees will be set on the HESI site each year)

Students will register online and pay for the exam online.

Testing location:

Students will take the exam at SCTCC in a testing lab at the main campus (1540 Northway Drive).

What are the student accommodations?

Students will be permitted the use of scratch paper if deemed necessary, which will be collected by the SCTCC Testing Center staff and immediately shredded after the test.

How many times can I take the HESI exam?

Students are allowed to take the test two (2) times for their dental hygiene application process.

The HESI exam must be taken at St. Cloud Technical & Community College (or by using ProctorU as determined by the college) and will only be offered once each year in February.

Students are encouraged to re-test to boost scores for program admission.

Is there an expiration date of my HESI exam?

The HESI exam must be taken within two years of applying to the Dental Hygiene Program for the score to be eligible for consideration in the selection process.

When will the HESI exam be administered?

The testing window for the Dental Hygiene HESI exam is offered mid-to-late February each year.

Eligible students will receive an email with detailed information & dates. Once the Dental Hygiene application period closes, applications are reviewed and ranked.

Eligible applicants will be notified and invited to the HESI exam.
