

St. Cloud Technical & Community College Academic Advising Center

Spring/Summer 2024

The best way to be successful next semester is to PLAN AHEAD this semester! The Academic Advising Center is happy to assist you in reaching your goals. Speaking of planning ahead, SCTCC is offering early registration for Fall semester classes 2024. ALL current SCTCC students can register as early as March 11, 2024!

Register early to get the course selection you want, the time of day you want, and course delivery style you prefer.

Reach out to your academic advisor through D2L Starfish, email, or stop into Advising Room 1-401 to schedule an appointment!

Schedule your appointment as early as March 1, 2024!
