International Student Agreement

Upon admission to St. Cloud Technical & Community College, I agree to the following:

Maintain F1 Visa status with the Department of Homeland Security:

_____ (initial)

- Keep passport and F1 status valid throughout my studies at SCTCC.
- *Attend and complete a full-time course of study each term (minimum 12 credit per term).
- **Pay health insurance fee, approximately **\$2,300 USD per year**, before or upon first day of classes, and maintain coverage throughout the duration of attendance.
- Promptly notify a DSO prior to any address change, change of major, leave or break, travel outside the U.S., reduced course-load, requesting a program extension, or transferring.
- If working, participate in on-campus employment or authorized CPT or OPT only.

Abide by SCTCC policies and procedures as they apply to student conduct and academic progress.

_____ SCTCC Policies and Procedures: <https://sctcc.edu/policies>

Pay all tuition and fees or have NBS payment plan in place prior to the fifth business day of the term.

Arrive prior to the start date of the term to complete orientation and registration.

I hereby certify that I understand the above conditions of the International Student Agreement.

Name: _____

Signature: _____ Date: _____

**Only one on-line or distance learning class can count toward a full course of study for an F-1 student during each term or semester. Programs NOT available to international students due to being fully on-line are Computer Programming, Health Information Technology, Medical Coding, and Finance.*

***Health Insurance is required and must be paid for each year prior to course registration. Minnesota State requires a specific private health insurance policy through UnitedHealthcare®. Prices for the policy are subject to change each academic year.*

For official information on F1 visa rules while studying in the United States, visit <https://studyinthestates.dhs.gov/students>.
