Whether you are taking generals or enrolling in a program, SCTCC credits transfer. Minnesota Law says general education courses must transfer to other Minnesota State Colleges and Universities. This is called the MnTransfer. The MnTransfer has categorized all general education courses into 10 goal areas.

Transferability of courses from St.Cloud Technical and Community College (SCTCC) to public higher education systems in Minnesota is enhanced by transfer agreements currently in place.

What does this mean? If you take an English course in Goal area 1 at SCTCC it will transfer to any of the MnSCU campuses in Goal area 1. Many private colleges in Minnesota also recognize the MnTransfer. If you complete all 10 goal areas or the MnTransfer Curriculum all of the courses will transfer and in most cases you will have completed the university general education requirements and be ready to start your major.

It doesn’t stop here, technical electives will also transfer. Students transferring to a MnSCU campus may use up to 16 technical elective credits toward their degree. In some cases the technical courses will work for a major.

For example:
Alex goes to SCTCC with plans to transfer to SCSU. He’s not sure what he wants to major in so he will start with generals. He takes 4 courses at SCTCC in his first semester. ENGL 1302 Analytical Writing, CMST 1320 Intro to Communications, MATH 1300 College Algebra and ADVR 1216 Drawing with Computer. Will they transfer and what will they transfer as?

At SCSU all the courses transfer as the following:
ENGL 1302 transfers as ENGL 191 Intro to Rhetorical and Analytical Writing, CMST 1320 transfers as CMS 192 Intro to Communication Studies, MATH 1300 transfers as MATH 112 College Algebra and ADVR 1216 transfers as ART 105.

When in doubt check it out!
All of our general education courses will transfer to any of the MnSCU campuses and to many other colleges in Minnesota. Just ask!

The mntransfer website answers many questions and lists transfer specialists at colleges; it gives you the basics and a better understanding about transfer options. www.mntransfer.org

uSelect is a website that assists you in finding out if your credits transfer, course equivalencies, program requirements and much more. www.uSelectmn.org
If you don’t find it here, ask. Don’t assume the course (s) doesn’t transfer, contact the transfer specialist listed on all campus websites. If you have any questions please feel free to contact us at 320-308-5075.

YES, OUR GENERAL EDUCATION COURSES TRANSFER!
