V. Minnesota State’s EQUAL OPPORTUNITY AND NONDISCRIMINATION IN EMPLOYMENT AND EDUCATION POLICY

Subpart A. Equal opportunity for students and employees. Minnesota State has an enduring commitment to enhancing Minnesota’s quality of life by developing and fostering understanding and appreciation of a free and diverse society and providing equal opportunity for all its students and employees. To help effectuate these goals, Minnesota State is committed to a policy of equal opportunity and nondiscrimination in employment and education.

Subpart B. Nondiscrimination. No person shall be discriminated against in the terms and conditions of employment, personnel practices, or access to and participation in, programs, services, and activities with regard to race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, or gender expression. In addition, discrimination in employment based on membership or activity in a local commission as defined by law is prohibited.

Harassment on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, or gender expression is prohibited. Harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with persons having business at, or visiting the educational or working environment.

This policy is directed at verbal or physical conduct that constitutes discrimination /harassment under state and federal law and is not directed at the content of speech. In cases in which verbal statements and other forms of expression are involved, Minnesota State will give due consideration to an individual's constitutionally protected right to free speech and academic freedom. However, discrimination and harassment are not within the protections of academic freedom or free speech.

The system office, colleges, and universities shall maintain and encourage full freedom, within the law, of expression, inquiry, teaching and research. Academic freedom comes with a responsibility that all members of our education community benefit from it without intimidation, exploitation or coercion.

This policy shall apply to all individuals affiliated with Minnesota State, including but not limited to its students, employees, applicants, volunteers, agents, and Board of Trustees, and is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation or reprisal. Individuals who violate this policy shall be subject to disciplinary or other corrective action.
This policy supersedes all existing system, college, and university equal opportunity and nondiscrimination policies.

Part 2. Definitions.

Subpart A. Consensual Relationship. Consensual relationship means a sexual or romantic relationship between two persons who voluntarily enter into such a relationship. Employees who are members of the same household should also refer to the Board Policy 4.10, of Trustees Nepotism policy 4.10.

Subpart B. Discrimination. Discrimination means conduct that is directed at an individual because of his or her protected class and that subjects the individual to different treatment by agents or employees so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system or colleges and universities or otherwise adversely affects the individual's employment or education.

Subpart C. Discriminatory harassment. Discriminatory harassment means verbal or physical conduct that is directed at an individual because of his or her protected class, and that is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of creating a hostile work or educational environment.

As required by law, Minnesota State further defines sexual harassment as a form of sexual discrimination which is prohibited by state and federal law. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education, evaluation of a student's academic performance, or term or condition of participation in student activities or in other events or activities sanctioned by the college or university; or

- Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions or other decisions about participation in student activities or other events or activities sanctioned by the college or university; or

- Such conduct has the purpose or effect of threatening an individual's employment; interfering with an individual's work or academic performance; or creating an intimidating, hostile, or offensive work or educational environment.

Subpart D. Employee. Employee means any individual employed by Minnesota State, including all faculty, staff, administrators, teaching assistants, graduate assistants, residence directors and student employees.
Subpart E. Protected class. For purposes of this policy:

- Protected class includes race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, or gender expression. In addition, membership or activity in a local human rights commission is a protected class in employment.

- This policy prohibits use of protected class status as a factor in decisions affecting education and employment where prohibited by federal or state law.

Subpart F. Retaliation. Retaliation includes, but is not limited to, intentionally engaging in any form of intimidation, reprisal or harassment against an individual because he or she:

- Made a complaint under this policy;

- Assisted or participated in any manner in an investigation, or process under this policy, regardless of whether a claim of discrimination or harassment is substantiated;

- Associated with a person or group of persons who are disabled or are of a different race, color, creed, religion, sexual orientation, gender identity, gender expression, or national origin; or

- Made a complaint or assisted or participated in any manner in an investigation or process with the Equal Employment Opportunity Commission, the U.S. Department of Education Office for Civil Rights, the Minnesota Department of Human Rights or other enforcement agencies, under any federal or stated nondiscrimination law, including the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; the Minnesota Human Rights Act, Minn. Stat. Ch. 363A, and their amendments.

Retaliation may occur whether or not there is a power or authority differential between the individuals involved.

Subpart G. Sexual harassment and violence as sexual abuse. Under certain circumstances, sexual harassment or violence may constitute sexual abuse according to Minnesota law. In such situations, the system office and colleges and universities shall comply with the reporting requirements in Minnesota Statutes Section 626.556 (reporting of maltreatment of minors) and Minnesota Statutes Section 626.557 (Vulnerable Adult Protection Act). Nothing in this policy will prohibit any college or university or the system office from taking immediate action to protect victims of alleged sexual abuse. Board Policy 1B.3 Sexual Violence addresses sexual violence.
Subpart H. Student. For purposes of this policy, the term “student” includes all persons who:

- Are enrolled in one or more courses, either credit or non-credit, through a college or university;
- Withdraw, transfer or graduate, after an alleged violation of the student conduct code;
- Are not officially enrolled for a particular term but who have a continuing relationship with the college or university;
- Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
- Are living in a college or university residence hall although not enrolled in, or employed by, the institution.

Part 3. Consensual Relationships. An employee of Minnesota State shall not enter into a consensual relationship with a student or an employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence. In the event a relationship already exists, each college and university and system office shall develop a procedure to reassign evaluative authority as may be possible to avoid violations of this policy. This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a family or household member where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

Part 4. Retaliation. Retaliation as defined in this policy is prohibited in the system office, colleges and universities. Any individual subject to this policy who intentionally engages in retaliation shall be subject to disciplinary or other corrective action as appropriate.

Part 5. Policies and procedures. The chancellor shall establish procedures to implement this policy. The equal opportunity and nondiscrimination in employment and education policy and procedures of colleges and universities shall comply with Board Policy 1B.1 and Procedure 1B.1.1.

VI. Minnesota State’s REPORT/COMPLAINT OF DISCRIMINATION/HARASSMENT INVESTIGATION AND RESOLUTION PROCEDURE

Part 1. Purpose and applicability.

Subpart A. Purpose. This procedure is designed to further implement Minnesota State policies relating to nondiscrimination by providing a process through which individuals alleging violation
of Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education may pursue a complaint. This includes allegations of retaliation, or discrimination or harassment based on sex, race, age, disability, color, creed, national origin, religion, sexual orientation, gender identity, gender expression, marital status, or status with regard to public assistance. In addition, discrimination in employment based on membership or activity in a local human rights commission as defined by law is prohibited.

**Subpart B. Applicability.** This procedure shall apply to all individuals affiliated with Minnesota State, including its students, employees, and applicants for employment, and is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation/reprisal. Individuals who violate this procedure shall be subject to disciplinary or other corrective action.

A single act of discrimination or harassment may be based on more than one protected class status. For example, discrimination based on anti-Semitism may relate to religion, national origin, or both; discrimination against a pregnant woman might be based on sex, marital status, or both; discrimination against a transgender or transsexual individual might be based on sex or sexual orientation.

Not every act that may be offensive to an individual or group constitutes discrimination or harassment. Harassment includes action beyond the mere expression of views, words, symbols or thoughts that another individual finds offensive. To constitute a violation of Board Policy 1B.1, conduct must be considered sufficiently serious to deny or limit a student’s or employee’s ability to participate in or benefit from the services, activities, or privileges provided by Minnesota State.

**Subpart C. Scope.** This procedure is not applicable to allegations of sexual violence; allegations of sexual violence are handled pursuant to Board Policy 1B.3 Sexual Violence and System Procedure 1B.3.1. In addition, harassment and discrimination complaints not arising from alleged violations of Board Policy 1B.1, are to be addressed under other appropriate policies and established practices.

**Part 2. Definitions.** The definitions in Board Policy 1B.1 also apply to this procedure.

**Subpart A. Designated officer.** Designated officer means an individual designated by the president or chancellor to be primarily responsible for conducting an initial inquiry, determining whether to proceed with an investigation under this procedure, and investigating or coordinating the investigation of reports and complaints of discrimination/harassment in accordance with this procedure.

Prior to serving as the designated officer, the individual must complete investigator training provided by the system office.
**Subpart B. Decisionmaker.** Decisionmaker means a high level administrator designated by the president or chancellor to review investigative reports, to make findings whether Board Policy 1B.1 has been violated based upon the investigation, and to determine the appropriate action for the institution to take based upon the findings.

Prior to serving as a decisionmaker for complaints under this procedure, administrators must complete decisionmaker training provided by the system office.

**Subpart C. Retaliation.** Retaliation is as defined in Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education policy

**Part 3. Consensual relationships.** Board Policy 1B.1 Equal Opportunity and Nondiscrimination in Employment and Education prohibits consensual relationships between an employee and a student or another employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence, whether or not both parties appear to have consented to the relationship, except as noted.

Examples of prohibited consensual relationships include, but are not limited to:

- An employee and a student if the employee is in a position to evaluate or otherwise significantly influence the student’s education, employment, housing, participation in athletics, or any other college or university activity (employee includes, for example, graduate assistants, administrators, coaches, advisors, program directors, counselors and residence life staff);

- A faculty member and a student who is enrolled in the faculty member’s course, who is an advisee of the faculty member, or whose academic work is supervised or evaluated by the faculty member; and

- A supervisor and an employee under the person’s supervision.

A faculty member or other employee is prohibited from undertaking a romantic or sexual relationship or permitting one to develop with a student or supervisee who is enrolled in the person’s class or is subject to that person’s supervision or evaluation.

If a consensual, romantic or sexual relationship exists between an employee and another individual and subsequent events create a supervisor/supervisee, faculty/student or similar relationship between them, the person with evaluative or supervisory authority is required to report the relationship to his or her supervisor so that evaluative functions can be reassigned if possible.
This procedure does not cover consensual relationships between individuals that do not require one to exercise direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence over the other.

This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a person with whom they have a consensual relationship where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

**Part 4. Reporting incidents of discrimination/harassment.**

**Subpart A. Reporting an incident.** Any individual who believes she or he has been or is being subjected to conduct prohibited by Board Policy 1B.1 is encouraged to report the incident to the designated officer. The report/complaint should be brought as soon as possible after an incident occurs.

SCTCC Designated Officers:

- **All student complaints/questions** should be directed to Jonathan Eichten, Vice President for Student Services, in room 1-401Y. His phone number is 320-308-5580.
- **All employee complaints/questions** should be directed to Deb Holstad, Human Resources Director in office 1-403C. Her number is 320-308-3227. The Minnesota Relay Service Number is 1-800-627-3529.

Any student, faculty member or employee who knows of, receives information about or receives a complaint of discrimination/harassment is strongly encouraged to report the information or complaint to the designated officer of the system office, college, or university.

**Subpart B. Duty to report.** Administrators and supervisors shall refer allegations of conduct that they reasonably believe may constitute discrimination or harassment under Board Policy 1B.1 to the designated officer, or in consultation with the designated officer may inquire into and resolve such matters.

**Subpart C. Reports against a president.** A report/complaint against a president of a college or university shall be filed with the system office. However, complaints against a president shall be processed by the college or university if the president's role in the alleged incident was limited to a decision on a recommendation made by another administrator, such as tenure, promotion or non-renewal, and the president had no other substantial involvement in the matter.

**Subpart D. Reports against system office employees or Board of Trustees.** For reports/complaints that involve allegations against system office employees, the responsibilities identified in this procedure as those of the president are the responsibilities of the chancellor. Reports/complaints that involve allegations against the chancellor or a member of the Board of Trustees shall be referred to the chair or vice chair of the Board for processing.
Such reports/complaints may be assigned to appropriate system personnel or outside investigatory assistance may be designated.

**Subpart E. False statements prohibited.** Any individual who is determined to have provided false information in filing a discrimination report/complaint or during the investigation of such a report/complaint may be subject to disciplinary or corrective action.

**Subpart F. Withdrawn complaints.** If a complainant no longer desires to pursue a complaint, the system office, colleges, and universities reserve the right to investigate and take appropriate action.

**Part 5. Right to representation.** In accordance with federal law and applicable collective bargaining agreement and personnel plan language, represented employees may have the right to request and receive union representation during an investigatory meeting.

Nothing in this procedure is intended to expand, diminish or alter in any manner whatsoever any right or remedy available under a collective bargaining agreement, personnel plan or law. Any disciplinary action imposed as a result of an investigation conducted under this procedure will be processed in accordance with the applicable collective bargaining agreement or personnel plan.

**Part 6. Investigation and Resolution.** The system office, college or university has an affirmative duty to take timely and appropriate action to stop behavior prohibited by Board Policy 1B.1, conduct investigations and take appropriate action to prevent recurring misconduct.

**Subpart A. Personal resolution.** This procedure neither prevents nor requires the use of informal resolution by an individual who believes he or she has been subject to conduct in violation of Board Policy 1B.1. In such a situation, the individual should clearly explain to the alleged offender as soon as possible after the incident that the behavior is objectionable and must stop. If the behavior does not stop or if the individual believes retaliation may result from the discussion, the individual should report to the designated officer. Under no circumstance shall an individual be required to use personal resolution to address prohibited behaviors.

**Subpart B. Information privacy.** Confidentiality of information obtained during an investigation cannot be guaranteed; such information, however, will be handled in accordance with applicable federal and state data privacy laws.

**Subpart C. Processing the complaint.** The designated officer must be contacted in order to initiate a report/complaint under this procedure. The scope of the process used in each complaint/report shall be determined by the designated officer based on the complexity of the allegations, the number and relationship of individuals involved, and other pertinent factors.

- Jurisdiction. The designated officer shall determine whether the report/complaint is one which should be processed through another system office, college or university
procedure available to the complainant; if appropriate, the designated officer shall
direct the complainant to that procedure as soon as possible.

• Conflicts. The designated officer should identify to the president or chancellor/designee
any real or perceived conflict of interest in proceeding as the designated officer for a
specific complaint. If the president or chancellor/designee determines that a conflict
exists, another designated officer shall be assigned.

• Information provided to complainant. At the time the report/complaint is made, the
designated officer shall:

  o Inform the complainant of the provisions of the Board Policy 1B.1 and this
    procedure;

  o Provide a copy of or Web address for Board Policy 1B.1 and this procedure to the
    complainant;

  o Determine whether other individuals are permitted to accompany the
    complainant during investigatory interviews and the extent of their involvement;
    and

  o Inform the complainant of the provisions of Board Policy 1B.1 prohibiting
    retaliation.

• Complaint documentation. The designated officer shall insure that the complaint is
documented in writing. The designated officer may request, but not require the
complainant to document the complaint in writing using the complaint form of the
system office, college or university.

• Information provided to the respondent. At the time initial contact is made with the
respondent, the designated officer shall inform the respondent in writing of the
existence and general nature of the complaint and the provisions of the
nondiscrimination policy. At the initial meeting with the respondent, the designated
officer shall:

  o Provide a copy of or Web address for Board Policy 1B.1 and this procedure to the
    respondent;

  o Provide sufficient information to the respondent consistent with federal and
    state data privacy laws to allow the respondent to respond to the substance of
    the complaint;
o Explain to the respondent that in addition to being interviewed by the designated officer, the respondent may provide a written response to the allegations;

o Determine whether other individuals are permitted to accompany the respondent during investigative interviews and the extent of their involvement; and

o Inform the respondent of the provisions of Board Policy 1B.1 prohibiting retaliation.

• Investigatory process. The designated officer shall:

  o Conduct a fact-finding inquiry or investigation into the complaint, including appropriate interviews and meetings;

  o Inform the witnesses and other involved individuals of the prohibition against retaliation;

  o Create, gather and maintain investigative documentation as appropriate;

  o Disclose appropriate information to others only on a need to know basis consistent with state and federal law, and provide a data privacy notice in accordance with state law; and

  o Handle all data in accordance with applicable federal and state privacy laws.

• Interim actions.

  o Employee reassignment or administrative leave. Under appropriate circumstances, the president or chancellor may, in consultation with system legal counsel and labor relations, reassign or place an employee on administrative leave at any point in time during the report/complaint process. In determining whether to place an employee on administrative leave or reassignment, consideration shall be given to the nature of the alleged behavior, the relationships between the parties, the context in which the alleged incidents occurred and other relevant factors. Any action taken must be consistent with the applicable collective bargaining agreement or personnel plan.

  o Student summary suspension or other action. Under appropriate circumstances, the president or designee may, in consultation with system legal counsel, summarily suspend a student at any point in time during the report/complaint process. A summary suspension may be imposed only in accordance with Board Policy 3.6 and associated system procedures. After the student has been
summarily suspended, the report/complaint process should be completed within the shortest reasonable time period, not to exceed nine (9) class days. During the summary suspension, the student may not enter the campus or participate in any college or university activities without obtaining prior permission from the president or designee. Other temporary measures may be taken in lieu of summary suspension where the president or designee determines such measures are appropriate.

- No basis to proceed. At any point during the processing of the complaint, the designated officer may determine that there is no basis to proceed under Board Policy 1B.1. The designated officer shall refer the complaint as appropriate. The designated officer shall notify the complainant and respondent of the outcome as appropriate, in accordance with applicable data privacy laws.

- Timely Completion. Colleges, universities and the system office must provide resources sufficient to complete the investigative process and issue a written response within 60 days after a complaint is made, unless reasonable cause for delay exists. The designated officer shall notify the complainant and respondent if the written response is not expected to be issued within the 60 day period. The college, university or system office must meet any applicable shorter time periods, including those provided in the applicable collective bargaining agreement.

**Subpart D. Resolution.** After processing the complaint the designated officer may consider one or more of the following methods to resolve the complaint as appropriate:

- Conduct or coordinate education/training;

- Facilitate voluntary meetings between the parties;

- Recommend separation of the parties, after consultation with appropriate system office, college or university personnel;

- Other possible outcomes may include recommending changes in workplace assignments, enrollment in a different course or program, or other appropriate action;

- The system office, college or university may use alternative dispute resolution or mediation services as a method of resolving discrimination or harassment complaints. Alternative dispute resolution and mediation options require the voluntary participation of all parties to the complaint;

- Upon completion of the inquiry, the designated officer may dismiss or refer the complaint to others as appropriate.
Subpart E. Decision process. If the above methods have not resolved the complaint within a reasonable period of time to the satisfaction of the designated officer, or the designated officer feels additional steps should be taken, the procedures in this subpart shall be followed.

• **Designated officer.** The designated officer shall:
  
  o Prepare an investigation report and forward it to the decisionmaker for review and decision;
  
  o Take additional investigative measures as requested by the decisionmaker; and
  
  o Be responsible for coordinating responses to requests for information contained in an investigation report in accordance with the Minnesota Government Data Practices Act and other applicable law including, but not limited to the Family Educational Rights and Privacy Act (FERPA). In determining the appropriate response, the designated officer shall consult with the campus data practice compliance official and/or the Office of General Counsel.

• **Decision maker.** After receiving the investigation report prepared by the designated officer, the decisionmaker shall:
  
  o Determine whether additional steps should be taken prior to making the decision. Additional steps may include:
    
    ▪ A request that the designated officer conduct further investigative measures;
    
    ▪ A meeting with the complainant, respondent or other involved individuals. If a meeting involving a represented employee is convened, the complainant or respondent may choose to be accompanied by the bargaining unit representative, in accordance with the applicable collective bargaining agreement and federal and state law; and
    
    ▪ A request for additional information which may include a written response from the complainant or respondent relating to the allegations of the complaint.
  
  o Take other measures deemed necessary to determine whether a violation of Board Policy 1B.1 has been established;
  
  o When making the decision, take into account the totality of the circumstances, including the nature and extent of the behaviors, the relationship(s) between the parties, the context in which the alleged incident(s) occurred, and other relevant factors;
Determine the nature, scope and timing of disciplinary or corrective action and the process for implementation if a violation of the nondiscrimination policy occurs. This may include consultation with human resources or supervisory personnel to determine appropriate discipline;

As appropriate, consistent with applicable state and federal data privacy laws, report in writing to the complainant, respondent and the designated officer her or his findings, and the basis for those findings, as to whether Board policy 1B.1 has been violated; and

Conduct that is determined not to have violated Board policy 1B.1 shall be referred to another procedure for further action, if appropriate.

Part 7. System office, college, or university action. The system office, college, or university shall take the appropriate corrective action based on results of the investigation, and the designated officer shall make appropriate inquiries to ascertain the effectiveness of any corrective or disciplinary action. Complainants are encouraged to report any subsequent conduct that violates Board Policy 1B1.1, as well as allegations of retaliation.

Written notice to parties relating to discipline, resolutions, and/or final dispositions resulting from the report/complaint process is deemed to be official correspondence from the system office, college or university. In accordance with state law, the system office, college or university is responsible for filing the complaint disposition concerning complaints against employees with the Commissioner of Employee Relations within 30 days of final disposition.

Subpart A. Filing an appeal. The complainant or the respondent may appeal the decision of the decisionmaker. An appeal must be filed in writing with the president or designee within ten (10) business days after notification of the decision. The appeal must state specific reasons why the complainant or respondent believes the decision was improper. In a complaint against a president or other official who reports directly to the chancellor, an appeal may be considered by the chancellor whether or not the chancellor served as the decisionmaker.

Subpart B. Effect of review. For employees represented by a collective bargaining agreement, an appeal under this procedure is separate and distinct from, and is not in any way related to, any contractual protections or procedures. During the pendency of the appeal disciplinary or corrective action taken as a result of the decision shall be enforced. In addition, in cases involving sanctions of suspension for ten (10) days or longer, students shall be informed of their right to a contested case hearing under Minnesota Statutes §14.
Subpart C. Appeal process. The president or designee shall review the record and determine whether to affirm or modify the decision. The president or designee may receive additional information if the president or designee believes such information would aid in the consideration of the appeal. The decision on appeal shall be made within a reasonable time and the complainant, respondent and designated officer shall be notified in writing of the decision, consistent with applicable state and federal data privacy laws. The decision on appeal exhausts the complainant’s and respondent’s administrative remedies under this procedure except as provided herein.

Part 9. Education and training. The system office, colleges and universities shall provide education and training programs to promote awareness and prevent discrimination/harassment, such as educational seminars, peer-to-peer counseling, operation of hotlines, self-defense courses, and informational resources. Education and training programs should include education about Board Policy 1B.1 and this procedure. All colleges and universities and the system office shall promote awareness of Board Policy 1B.1 and this procedure, and shall publicly identify the designated officer.

Part 10. Distribution of board policy 1B.1 and this procedure. Information regarding Board Policy 1B.1 and this procedure shall, at a minimum, be distributed to students at the time of registration and to employees at the beginning of employment. Distribution may be accomplished by posting on an internet website, provided all students and employees are directly notified of how to access the policy and procedure by an exact address, and that they may request a paper copy. Copies of the policy and procedure shall be conspicuously posted at appropriate locations at the system office and on college and university campuses at all times and shall include the designated officers' names, locations and telephone numbers.

Designated officers also must be identified by name, location and phone number in informational publications such as student catalogs, student and employee handbooks, bulletin boards, campus websites and other appropriate public announcements.

Part 11. Maintenance of report/complaint procedure documentation. During and upon the completion of the complaint process, the complaint file shall be maintained in a secure location in the office of the designated officer for the system office, college or university in accordance with the applicable records retention schedule. Access to the data shall be in accordance with the respective collective bargaining agreement or personnel plan, the Minnesota Government Data Practices Act, the Family Educational Rights and Privacy Act or other applicable law.

VII. MINNESOTA STATE’S REASONABLE ACCOMMODATIONS IN EMPLOYMENT POLICY

(The Statewide Reasonable Accommodations Policy is currently being revised. All Affirmative Action Plans will contain the same statewide policy once it is completed and approved. For now, Minnesota State’s policy is listed below.)
Part 1. Purpose. This procedure sets forth the process to be used for responding to requests for reasonable accommodations in employment based on an applicant's or employee's disability. The scope of this procedure is limited to reasonable accommodations, and is not intended to fully describe other provisions of the Americans with Disabilities Act or the Minnesota Human Rights Act.

Part 2. Reasonable Accommodations in Employment. It is the policy of Minnesota State to encourage the employment and promotion of any qualified individual including qualified individuals with disabilities. The system office, college or university will not discriminate in providing reasonable accommodations to qualified individuals with a disability in regard to job application procedures, hiring, advancement, discharge, employee compensation, job training or other terms, conditions, and privileges of employment.

Part 3. Definitions. For purposes of this procedure, the following terms have the meaning given them:

Subpart A. Employer. The employer is the system office, college or university.

Subpart B. Essential Functions. Essential functions are the fundamental job duties of the position in question. The term does not include the marginal functions of the position.

- A job function may be considered essential for any of several reasons, including but not limited to the following:
  - The function may be essential because the reason the position exists is to perform that function;
  - The function may be essential because of the limited number of employees available among whom the performance of that job function can be distributed; and/or
  - The function may be highly specialized so that the incumbent in the position is hired for his or her expertise or ability to perform the particular function.

- Evidence of whether a particular function is essential includes, but is not limited to:
  - The employer's judgment as to which functions are essential;
  - Written job descriptions;
  - The amount of time spent on the job performing the function;
  - The consequences of not requiring the incumbent to perform the function;
  - The terms of a collective bargaining agreement;
  - The work experience of past incumbents in the job; and/or
  - The current work experience of incumbents in similar jobs.
Subpart C. Individual with a Disability. An individual with a disability for the purposes of determining reasonable accommodations is any applicant, current employee, including student employees, or employees seeking promotion, who has a physical or mental impairment which substantially or materially limits one or more of such individual’s major life activities. Generally, a disabling physical or mental condition which is expected to be temporary and from which the individual is expected to recover is not a disability under this procedure.

Subpart D. Qualified Individual with a Disability. A qualified individual with a disability is an individual with a disability who meets the requisite skill, education, experience and other job-related requirements of the job and who, with or without reasonable accommodation, can perform the essential functions of the job.

Subpart E. Reasonable Accommodations. A reasonable accommodation is a modification or adjustment to a job or employment practice or the work environment that enables a qualified individual with a disability to perform the essential functions of the job as identified at the time of the reasonable accommodation request and to access equal employment opportunities. Reasonable accommodations may also include those things which make a facility and its operations readily accessible to and usable by individuals with disabilities. Under the law, the employer has a responsibility to make reasonable accommodations for individuals with a disability only if the disability is known and it is not an undue hardship under Part 6, Subpart C.

Part 4. Identification of Assigned Staff Member. The system office, and each college and university shall assign and identify a staff member responsible for administering requests for reasonable accommodations.

Part 5. Right to Representation. In accordance with applicable collective bargaining agreement language, employees may have the right to request and receive union representation during the reasonable accommodations process.

Subpart A. Job Relatedness. Reasonable accommodations will be provided only for job-related needs of individuals with a disability. The primary factor in evaluating an accommodation's job relatedness is whether the accommodation specifically assists the individual to perform the essential functions of the job as identified at the time of the reasonable accommodation request. If the requested accommodation is primarily for the benefit of the individual with a disability to assist that individual in daily personal activities, the employer is not required to provide the accommodation. The appropriate reasonable accommodation is best determined through a flexible, interactive process that involves both the employer and the qualified individual with a disability; it may include the appropriate union representative as provided by the applicable collective bargaining agreement.
Subpart B. Essential Functions. The system office, college or university may deny employment or advancement in employment based on the inability of an individual with a disability to perform the essential functions of the job and may decline to make accommodations to the physical or mental needs of an employee or job applicant with a disability if:

- The accommodation would impose an undue hardship on the system office, college or university as provided under Subpart C.;

- The individual with a disability, with or without reasonable accommodations, is not qualified to perform the essential functions of that particular job; or

- Having the individual in the job would create a direct threat because of a significant risk to the health and safety of the individual or others and the risk cannot be eliminated by reasonable accommodation.

Subpart C. Undue Hardship. In determining whether providing a reasonable accommodation would impose an undue hardship on the employer, the factors to be considered include:

- The nature and net cost of the accommodation needed;

- The overall financial resources of the employer involved in the provision of the reasonable accommodation, the number of persons employed, and the effect on expenses and resources;

- The overall financial resources of the employer, the overall size of the business of the employer with respect to the number of its employees, and the number, type and location of its facilities;

- The type of operation or operations of the employer, including the composition, structure and functions of the workforce, and the geographic separateness and administrative or fiscal relationship of the employer in question to the covered entity; and

- The impact of the accommodation upon the operation of the employer, including the impact on the ability of other employees to perform their duties and the impact on the employer's ability to conduct business.

Subpart D. Documentation. Documentation of a disability is required as part of the reasonable accommodation process unless the nature and extent of the disability is already known to the employer, or as a practical matter, the requested accommodation is minimal and the employer makes modifications for its convenience, regardless of whether the employee or applicant meets the requirements for a reasonable accommodation under this procedure.
**Subpart E. Choice of Accommodations.** The employer is not required to provide the specific accommodation requested by the individual and may choose an effective accommodation which is less expensive or easier to provide. Accommodations provided to the individual are the financial responsibility of the employer.

**Subpart F. Request Process.** The system office, colleges and universities are responsible for establishing a process for individuals with disabilities to make requests for reasonable accommodations in compliance with the Americans with Disabilities Act or the Minnesota Human Rights Act. Such process should include the following:

- Minnesota State policy statement and definitions;
- Assignment and identification of a staff member responsible for administering requests for reasonable accommodations;
- Provide a process for appealing a reasonable accommodations decision.

**Part 7. Application.** Nothing in this procedure is intended to expand, diminish or alter the provisions of the Americans with Disabilities Act or the Minnesota Human Rights Act.

**VIII. EVACUATION PROCEDURES FOR INDIVIDUALS WITH DISABILITIES**

A copy of the SCTCC’s weather and emergency evacuation plans can be found at: [http://www.sctcc.edu/safety](http://www.sctcc.edu/safety).

Knowledge and preparation by both individuals needing assistance and those who don’t is key to reducing the impact of emergencies. When developing a plan, safety needs should be determined on a case-by-case basis because it varies with each individual and building.

Everyone has a responsibility to develop their own personal emergency evacuation plans, this includes individuals with disabilities or individuals who will need assistance during evacuation.

Directors, managers, and supervisors should review the emergency evacuation procedures with staff, including informing all staff that if additional assistance may be needed, and individuals with disabilities should contact the SCTCC contacts below to request the type of assistance they may need.

Inquiries about services offered under Section 504 of the Rehabilitation Act or the Americans with Disabilities Act should be referred to:
Evacuation Options:
Individuals with disabilities have four basic evacuation options:

- **Horizontal evacuation**: Using building exits to the outside ground level or going into unaffected wings of multi-building complexes;

- **Stairway evacuation**: Using steps to reach ground level exits from building;

- **Shelter in place**: Unless danger is imminent, remain in a room with an exterior window, a telephone, and a solid or fire resistant door. If the individual requiring special evacuation assistance remains in place, they should dial 911 immediately and report their location to emergency services, who will in turn relay that information to on-site responders. The shelter in place approach may be more appropriate for sprinkler protected buildings where an area of refuge is not nearby or available. It may be more appropriate for an individual who is alone when the alarm sounds;

- **Area of rescue assistance**: Identified areas that can be used as a means of egress for individuals with disabilities. These areas, located on floors above or below the building’s exits, can be used by individuals with disabilities until rescue can be facilitated by emergency responders; and/or

Evacuation Procedures for Individuals with Mobility Disabilities, Hearing Disabilities, and Visual Disabilities:
Individuals with disabilities should follow the following procedures:

- **Mobility disabilities (individuals who use wheelchairs or other personal mobility devices (“PMDs”))**: Individuals using wheelchairs should be accompanied to an area of rescue assistance by an employee or shelter in place when the alarm sounds. The safety and security staff will respond to each of the areas of rescue assistance every time a building
evacuation is initiated to identify the individuals in these areas and notify to emergency responders how many individuals need assistance to safely evacuate.

- Mobility disabilities (individuals who do not use wheelchairs): Individuals with mobility disabilities, who are able to walk independently, may be able to negotiate stairs in an emergency with minor assistance. If danger is imminent, the individual should wait until the heavy traffic has cleared before attempting the stairs. If there is no immediate danger (detectable smoke, fire, or unusual odor), the individual with a disability may choose to wait at the area of rescue assistance until emergency responders arrive to assist them.

- Hearing disabilities: SCTCC’s buildings are equipped with fire alarm horns/strobes that sound the alarm and flash strobe lights. The strobe lights are for individuals with who are deaf and/or hard of hearing. Individuals with hearing disabilities may not notice or hear emergency alarms and will need to be alerted of emergency situations.

- Visual disabilities: SCTCC’s buildings are equipped with fire alarm horn/strobes that sound the alarm and flash strobe lights. The horn will alert individuals who are blind or have visual disabilities of the need to evacuate. Most individuals with visual disabilities will be familiar with their immediate surroundings and frequently traveled routes. Since the emergency evacuation route is likely different from the common traveled route, individuals with visual disabilities may need assistance in evacuating. The assistant should offer assistance, and if accepted, guide the individual with a visual disability through the evacuation route.

**Severe Weather Evacuation Options:**
Individuals with disabilities or who are in need of assistance during an evacuation have three evacuation options based on their location in their building:

- Horizontal evacuation: If located on the ground or basement floor, severe weather shelter areas are located throughout each floor;

- Elevator evacuation: If there are no safe areas above the ground floor, the elevator may be used to evacuate to the ground or basement levels; and/or

- Shelter in Place: Seeking shelter in a designated severe weather shelter and remaining there until the all clear is used.
IX. GOALS AND TIMETABLES

Through the utilization analysis, SCTCC has determined which job categories are underutilized for women, minorities, individuals with disabilities, and veterans within the college and has set the following hiring goals for the next two years (Reference Table 2).

**St. Cloud Technical & Community College EEO Job Groups:**

- Officials and Administrators (unit 220)
- Professionals (MMA and MAPE)
- Faculty
- Technicians (AFSCME unit 207)
- Office/Clerical AFSCME unit 206)
- Service/maintenance (AFSCME maintenance and skilled craft)

**Availability:**
SCTCC determined the recruitment area to be statewide for all job categories. In conducting its underutilization analysis, the college used the two-factor analysis. In conducting its utilization analysis, SCTCC used the one-factor analysis. The College determined that in its effort to diversify the workforce to more closely reflect state-wide and national demographics, it was important not to dilute the availability by using internal statistics.

Underutilization Analysis worksheets are attached in the appendix. Numbers less than 10 are indicated with “<10” in accordance with Minnesota Management and Budget’s guidance on data privacy.

**Women:**
At the college, the population of women has remained the same in the following job categories: Officials/Administrators, faculty and Office/Clerical and has not improved in the following job categories: Professionals, faculty and Service Maintenance/Skilled Craft.
The college continues to recruit in diverse publications and websites. The lack of improvement in hiring of women in the professional and maintenance/skilled craft job groups is due in part to the more traditionally male jobs in maintenance also in the traditionally male teaching positions such as automotives, machine tool, carpentry, plumbing, and electronics that were filled.

The college anticipates 60 vacancies over the next two year period: 4 in the Administrative/Officials category, 16 in the Professional category, 20 in the faculty category, 6 in the Office Clerical/Technicians/Paraprofessional category, 10 in the technicians category, and 4 in the Maintenance/Skilled Craft category. Efforts in increase the number of women hired include more targeted recruiting with industry advisory committees and local job fairs and Women’s Professional organizations.

Minorities:
At the college, the population of minorities has improved or stayed the same in job categories except office/clerical. For AA Plan period 7/1/14-6/60-16, the college hired 66 employees, of which 6 claimed minority status or 9% of the total hires. The college overall is at 7% employees who claim minority status. The increase in hires of applicants who claim minority status is due, in part, to the efforts over the last two years of administrators to mentor and provide internships and job shadowing opportunities to students in the Master’s and Doctorate programs at St. Cloud State University, recruiting by current administrators, and collaboration with other local higher education institutions’ Human Resources and Affirmative Action departments. SCTCC works with St. Cloud State University and St. Cloud Hospital with dual career (trailing spouse) recruiting. The SCTCC Diversity Coordinator and other staff meet regularly with local high schools and local community minority groups including the Somali, African American and Hispanic populations to promote the college. These efforts have paid off and will be continued over the next two year AA Plan.

Individuals with Disabilities:
At the college, the population of individuals with disabilities has stay the same or did not improve in any of the categories.

During the AA Plan period from 7/1/14-6/30/16, the college increased its recruiting efforts to local disability services agencies by holding information meetings and sharing job openings via e-mail and websites. These efforts were positive and will be continued for the next plan period. In February 2016, employees were sent an e-mail with a request and instructions to voluntarily report a disability.

Veterans:
For AA Plan period 7/1/14-6/30/16, the college hired 66 employees, one of which indentified as a Veteran. The college has improved in the Professionals, Faculty, and service/maintenance job categories; remained the same in the Officials/administrators and office/clerical job categories; and has not improved in the technicians job category.

SCTCC actively hosts an on-site Veteran’s Resources Office and will be expanding the office into our new Heartland building in 2017. The college works closely with local armed forces units, participates in community Veterans events and activities, and purchases advertising in national Veterans publications.
X. AFFIRMATIVE ACTION PROGRAM OBJECTIVES

4. Conduct an analysis of separation and layoff patterns to determine the impact on women, minorities, and persons with disabilities.
5. Provide diversity awareness by informing employees of campus activities and community events, and encouraging participation.

**Assignment of Responsibility:**
This involves a coordinated effort among several persons including the Affirmative Action Officer, Human Resources Director, Vice Presidents, Deans, Supervisors, Department Chairs and members of the Affirmative Action Committee.

**Target Dates for Completion:**

SEPARATION ANALYSIS

During the two-year period from July 1, 2014 to June 30, 2016, St. Cloud Technical and Community College had a total of 57 employee separations. Of the 57 separations, 10 separations were involuntary. Reasons for the involuntary separations were layoffs, non-renewals during probationary period, and terminations. Reasons for voluntary separations were retirements, resignations, and transfers. Three of the 10 employees who were separated involuntarily were women, none claimed minority status, none claimed disability status and none claimed veteran status.

XI. METHODS OF AUDITING, EVALUATING AND REPORTING PROGRAM SUCCESS

A. Pre-Employment Review Procedure/Monitoring the Hiring Process

The college will evaluate its selection process to determine if its requirements unnecessarily screen out a disproportionate number of women, minorities, individuals with disabilities, or veterans. The college will use the monitoring the hiring process form for every hire to track the number of women, minorities, individuals with disabilities, and veterans in each stage of the selection process. Directors, managers, and supervisors will work closely with human resources and the Affirmative Action Officer in reviewing the requirements for the position, posting the position, and interviewing and selection to ensure that equal opportunity and affirmative action is carried out. Directors, managers, and supervisors will be asked to document their hiring decisions and equal opportunity professionals will review for bias.

Any time the college cannot justify a hire, the college takes a missed opportunity. College leadership will be asked to authorize the missed opportunity. The college will report the number of affirmative and nonaffirmative hires as well as missed opportunities to Minnesota Management and Budget on a quarterly basis.

When candidates are offered interviews, employees scheduling interviews will describe the interview format to the candidate and provide an invitation to request a reasonable accommodation for individuals with disabilities to allow the candidate equal opportunity to participate in the interview process. For example, describe if interview questions are offered ahead of time or what technology may be used during the interview process. This allows for an individual with a disability to determine if they may need a reasonable accommodation in advance of the interview.

All personnel involved in the selection process will be trained and accountable for the college’s commitment to equal opportunity and the affirmative action program and its implementation.
B. Pre-Review Procedure for Layoff Decisions

The Affirmative Action Officer, in conjunction with the college human resources office, shall be responsible for reviewing all pending layoffs to determine their effect on the college’s affirmative action goals and timetables.

If it is determined that there is an adverse impact on protected groups, the college will document the reasons why the layoff is occurring, such as positions targeted for layoff, applicable personnel policies or collective bargaining agreement provisions, or other relevant reasons. The college will determine if other alternatives are available to minimize the impact on protected groups.

C. Other Methods of Program Evaluation

Our college submits the following compliance reports to Minnesota Management and Budget as part of our efforts to evaluate our affirmative action program:

- Quarterly Monitoring the Hiring Process Reports;
- Biannual Affirmative Action Plan;
- Annual Americans with Disabilities Act Report;
- Annual Internal Complaint Report; and
- Disposition of Internal Complaint (within 30 days of final disposition).

Our college also evaluates our Affirmative Action Plan in the following ways:

- Monitors progress toward stated goals by job category;
- Analyzes employment activity (hires, promotions, and terminations) by job category to determine if there is adverse impact;
- Analyzes compensation program to determine if there are patterns of discrimination;
- Reviews the accessibility of online systems, websites, and ensures that reasonable accommodations can be easily requested; and
- Discusses progress with college leadership on a periodic basis and makes recommendations for improvement.

XII. RECRUITMENT PLAN

The objective of this recruitment plan is to ensure our college recruitment programs are publicly marketed, attract, and obtain qualified applicants, enhance the image of state employment, and to assist in meeting our college affirmative action goals to achieve a diverse workforce.

Below are various recruitment methods or strategies utilized by the college during the past year.

A. Advertising Sources

- Minnesota Jobs Website
- St. Cloud Technical and Community College Jobs web page
- Minnesota State On-line Job Bank
- State of MN Workforce Diversity site wcomm.mmb@state.mn.us
- America’s Job Bank
- Chronicle of Higher Education website
- St. Cloud Times and website including diversity section
- St. Cloud Chamber of Commerce job site
- MnDiversity website
- Higher Education Recruitment Consortium website
- Minnesota Workforce Center
- LinkedIn
- NeoGov.com
- Indeed.com
- Deans and other listservs

Job applicants are asked to list where they learned of the position. This information is tracked and reviewed each year. Over the last two years, there has been an increase in the use of the Minnesota State On-line Job Bank, Indeed.com and the St. Cloud Technical and Community College Jobs web page. Referrals from a current SCTCC employee is another source that has been steadily increasing.

B. Job and Community Fairs
SCTCC hosts an annual job fair at which SCTCC jobs are promoted. The college is also part of a rapid response team along with the Dept. of Employment and Economic Development and the Stearns Benton Employment and Training Council. This group provides recourse to recently laid off employees in a timely and comprehensive manner.

C. College and University Recruitment Events
The Human Resources Director attends local civic meetings, participates in employer panels, does college classroom visits, and provides job shadow experiences for high school students. These activities have increased knowledge and awareness of the job opportunities at SCTCC and at higher education institutions in general.

D. Recruitment for Individuals with Disabilities
The college shares job opening information with Stearns/Benton Employment and Training Council, MN Workforce Center, and MN State Rehabilitation Services to promote the college as an employer. The college will continue to look for additional appropriate advertising sources.

E. Relationship Building and Outreach
SCTCC administrators, faculty and staff participate as members of local civic organizations as representatives of the college. Each academic program has an advisory committee comprised of local business and community members with expertise and interest in that program area. These community members promote the college through their professional and civics relationships.

F. Internships
At SCTCC an internship is a supervised work experience offered to students for up to 12 college credits. The general objective of this program is to allow students, including protected group members, to gain applied experience that would not otherwise be possible in the classroom and to reinforce the choice of one’s field of study. A variety of internships are available in agencies, trades, nonprofit organizations and businesses. Interested students should address inquiries to the program coordinator in the specific academic department that offers internships. The college will not discriminate against any individual based on protected group status in the selection for
internship opportunities. All internships are governed by an internship agreement between the college and the internship site in which the site specifically agrees to comply with all college policies, including non-discrimination. In the past two years, the college has hosted four internship students from St. Cloud State University.

G. Supported Employment (M.S. 43A.191, Subd. 2(d))
This college supports the employment of individuals with disabilities and will review vacant positions to determine if job tasks can be performed by a supported employment workers. We will work with community organizations that provide employment services to individuals with disabilities to recruit for these positions.

XIII. RETENTION PLAN

SCTCC is committed to not just the recruitment of women, minorities, individuals with disabilities, and veterans, but also to the retention of these protected groups.
