S3.4 Repetition of Courses

Update Revision Responsibility: Vice President of Academic Affairs

A student who receives a grade of D, F or W in courses may repeat these courses in an effort to improve their grades. The highest grade earned will be used in calculating the student’s grade point average (GPA). Repeating a course more than once will result in the removal of only one previous grade from the GPA calculation. If a student repeats a course in which a grade of C or better was originally earned, the last grade earned will be calculated in the grade point average. Regardless of the grade earned, students may only repeat a course two times.

All course attempts will remain on the student’s permanent academic record.

Please note: Some majors have more restrictive policies for repetition of courses.
