WATERCOLOR EXHIBIT

There is a exhibit of watercolor paintings by James Mondloch in the President's Office Lobby. This exhibit was arranged by the St. Cloud Community Arts Council and will be on display for approximately six weeks.

PAYROLL DISTRIBUTION

If you would like your paycheck/direct deposit statement to come to the building rather than your home address, please let the President's Office know by **September 6th**.

ELECTRICAL PROGRAM

Our electrical program has become known nationwide. On **October 2nd**, Rob Lafferty of Lafferty Electric in Phoenix, AZ will be on campus recruiting Electrical students to work for his company.

Congratulations to the Electrical instructors.
