Campus Visits

We are offering some in-person tours at limited capacity. Students can also set up a virtual visit with an admissions officer or take a virtual tour of campus. Students can find links to all these options here:

One last link I will share is to our undergraduate transfer admission page:

<https://mankato.mnsu.edu/future-students/undergraduate/undergraduate-admissions/transfer-student-admissions/>

This page has links to various transfer resources regarding our admission requirements, application process, next steps, etc.
