Welcome!
Health programs have specific requirements for students to complete.
This material is to help guide you through the process from beginning to graduating from your intended health major.
Staff and faculty are here to assist with your educational journey and look forward to seeing you on campus!

Paramedicine Program Description
The Paramedicine Program is a full-time program that begins each fall semester.
The Paramedicine program is 5 semesters:
- Fall semester 1
- Spring semester 2
- Summer semester 3
- Fall semester 4
- Spring semester 5

The Paramedicine program welcomes 20 students each fall semester. The students must earn the MN EMSRB Certification prior to acceptance to the program.

Paramedics are faced with initiating care to acutely ill and injured patients in limited conditions. Lifesaving procedures and decisions are determined in an instant. Graduates of the paramedicine program receive a high level of training to provide advanced care through medications and invasive procedures in the pre-hospital and hospital environment.

Our graduates put their skills to work for private ambulance companies, hospitals, emergency flight services (both helicopter and airplane), industry and city health agencies, fire departments and law enforcement agencies. Paramedics also can incorporate their training in other career fields like park services and ski patrol.
**Paramedicine Careers**
Career choices include Paramedic, Emergency Department Technician, and Flight Paramedic.

Potential employers include ambulance services, hospitals and urgency rooms, flight services (helicopter and airplane) event coverage industry and city health agencies, fire departments and law enforcement agencies. Paramedics also can incorporate their training in career fields like park services and ski patrol.

- The three-year placement rate for the Paramedicine program is 100%.
- The average Central MN annual salary range is $40k to 54k.

**Academic Advising Center – Current Student Advising Meetings**
Current students are required to meet with an advisor at least once a semester to receive a registration access code and review their academic plan.

We encourage students to visit more often with any questions or concerns they may have.

We are here to align you with resources that are available and help guide you through your educational journey at SCTCC!

Definition of a *Current Student* is one that has:

- Completed the Admissions process and fully accepted to SCTCC **AND**
- Completed e-orientation and scheduled an initial appointment with an academic advisor **OR**
- Currently registered for classes at SCTCC as a current, accepted student.

Academic Advising Center: 320-308-5741
Email: advising@sctcc.edu

**Paramedicine Program acceptance:**
Applicants MUST be a *Current Student* (applied and accepted to SCTCC).

Students must earn the MN EMSRB Certification prior to acceptance to the Paramedicine program.

Students will provide MN EMSRB Certification card or number to paramedicine@sctcc.edu
Once verified, the student will be notified of acceptance to the Paramedicine program via email. There is **NO** 2nd application to the Paramedicine program.

Applicants must be in *Good Academic Standing* at SCTCC
(cumulative GPA of 20 and cumulative completion rate of 66.66%).

Students who are on academic warning or probation will only be considered through an appeals process.
