ADMISSIONS

Admissions Policy
St. Cloud Technical and Community College (SCTCC) grants admission to all persons 16 years of age or older regardless of race, creed, color, veterans status, religion, gender, physical ability, age, national origin, marital status, sexual orientation, or public assistance status.

In order to eliminate barriers, each student’s ability to participate and benefit is assessed through placement testing and academic advising. Based on assessment and academic advising results, students are either connected to campus resources to complete admission to the college or provided a referral to community resources for participation in college preparation programs. Students with completed college-level courses, ACT, SAT, or MCA scores may be exempt from portions of the placement testing requirement.

Applications are taken beginning the third Tuesday in September, one year prior to the start of fall semester. The college has a rolling admission policy. Students are notified of an admission decision generally within 14 days of the receipt of all application materials.

Admission to the college does not guarantee admission to college-level courses or a desired major. Students applying for programs with selective admissions criteria may be required to complete pre-requisite courses and/or take additional tests prior to admission. Students who do not meet the standards for admission into a certain program may enroll in college readiness courses designed to help them meet program qualifications.

Unpaid Balance at Previous Institution
Minnesota State Policy 3.4
Students who have an unpaid balance at another system college or university will not be allowed to register for courses at SCTCC.
Students Suspended from Other Institutions
Minnesota State Policy 3.4

Students on academic suspension from a Minnesota State College or University shall not be admitted to SCTCC during the term of that suspension unless they demonstrate potential for being successful in the particular program to which they apply. Any student who left their previous college on academic suspension must complete the SCTCC admissions appeal process to be considered for admission.

Students who left their previous college on academic suspension and are subsequently accepted to SCTCC will be accepted on academic warning (whether or not their suspension period has ended or an appeal has been approved). If suspension date and reinstatement dates are posted, those are the dates that will be used. For Minnesota State colleges, it will be assumed that academic suspensions will be posted. If a suspension is posted, but reinstatement date is not noted, eligibility for reinstatement will be considered to be one year.

Students who have been suspended or expelled for disciplinary reasons from any postsecondary institutional may be denied admission to a Minnesota State college or university.

Impact of Criminal Records
Students will not be denied admission based on criminal records. Those who have been arrested, charged, or convicted of any criminal offense, should investigate the on employment in the intended field of study or access to federal, state, and other higher education financial aid.

Background Check for Health Programs
State law requires that any person who intends to provide services that involve direct contact with patients and residents at a health care facility have a background check provided by the state of Minnesota.

An individual who is disqualified as a result of a background check has the right to request reconsideration of the disqualification. It is the responsibility of the student to request reconsideration by the Commissioner of Health. Students with restrictions will not be sent to a clinical site. Please see individual program handbooks for special procedures.

International Student Admission Procedures
International student applicants are welcome and supported at SCTCC. International students participate in a unique admissions process with expanded criteria. Visit https://www.sctcc.edu/international-students for more information.

Visiting and Non-Degree Seeking Student Admission
Persons who are interested in registering for courses, but are not interested in pursuing a certificate, diploma or a degree at SCTCC, are designated by the college as visiting and non-degree seeking students. These students are not required to complete the usual application or to submit high school transcripts, but must meet course placement or pre-requisite requirements. Contact Records and Registration for additional information at (320) 308-5075.
High School Options

Articulated College Credit
SCTCC works with area high school teachers to align select high school courses with college courses. This alignment is evidenced by a signed articulation agreement between the institutions. Students who achieve a grade of B or higher in the course and are approved by the high school teacher will be issued a Record of Articulated College Credit and are required to present it to the SCTCC Registration Office for review. Students and teachers can access articulated college credit information at http://ctecreditmn.com/.

Acceptance of Articulation Agreements
Non-Member Districts
SCTCC will consider accepting articulated college credit from other Minnesota articulated college credit consortia. The student must submit a Record of Articulated College Credit. The Registrar will review the record to determine if the content is applicable to an SCTCC course and will then forward it to the appropriate faculty member for approval. Records and Registration will contact the student with the results of the review.

DISCOVERY ACADEMY
Discovery Academy, SCTCC’s concurrent enrollment program, is an opportunity for high school students to take college courses. The courses are taught in various cooperating high schools throughout the region. The courses are posted in the high school course catalog, and interested students register through their high school guidance counselor. Occasionally, a course is offered in a neighboring school district and students will need to travel to the site to participate. Most courses are taught by a high school teacher—a few courses are taught by college faculty. More information is available at www.sctcc.edu/discovery-academy.

POST SECONDARY ENROLLMENT OPTION (PSEO)
See SCTCC Policy S3.30
Students pursuing enrollment in the PSEO program must submit a completed SCTCC PSEO application for enrollment, a Notice of Student Registration (NOSR) form, and a high school transcript. Application deadlines:

Fall Semester – June 1
Spring Semester- November 1

Students are required to complete the Accuplacer testing and meet with the PSEO coordinator at SCTCC to discuss procedures and expectations of the program.

Who is Eligible for PSEO?
The PSEO program is available to juniors and seniors who are enrolled in a Minnesota public or private high school, home school, or alternative learning center. Students must demonstrate evidence of ability to complete college level work.

Students who wish to enroll in courses at SCTCC through the PSEO program must meet the minimum score requirements indicating college readiness on Accuplacer assessment or meet the exemption qualifications found in SCTCC’s Assessment for Course Placement Policy.
Sophomore Eligibility
Sophomores may enroll in a one career or technical education (CTE) course at a Minnesota State college or university if they have attained a passing score on the 8th grade Minnesota Comprehensive Assessment (MCA) in reading and meet other course prerequisites or course enrollment standards established by the college. These standards include but are not limited to assessment test scores, program admission, or other requirements. Sophomore students may take more CTE courses the next semester upon successful completion (grade C or higher) of their first CTE course.

PSEO Books
The costs of books and tuition will be covered by the PSEO program. Books will be available to PSEO students a few weeks prior to the start of the semester. PSEO students will need a book authorization form from the Admissions office to obtain their books. These books are the property of the college and must be returned to the college bookstore by the last day of finals week each semester. PSEO students withdrawing from the college should return their books immediately. Students will be charged for the cost of unreturned textbooks.

PSEO Parking
PSEO students are responsible to pay a $3.25 per credit fee each semester to park on campus. The parking fee can be paid at the Financial Services Office, and must be paid prior to obtaining books. PSEO students not driving or parking on campus may have the parking fee waived by stopping at the Financial Services Office.

PSEO Academic Requirements
PSEO students must maintain a cumulative GPA of 2.0 or better (C average) and cumulative completion of 67% to continue enrollment in the program.

A copy of PSEO students’ class schedules and grades for those classes are sent to the students’ high school each semester.

Students requesting supplemental support services may access 2.5 hours a week of supportive instruction. If additional accommodations are required, the school district and the college will negotiate for the provision of services. Contact the PSEO coordinator for specific information.

For PSEO state statute, refer to MN Statute 124D.09

Immunization Policy
Minnesota Law (MS 135A.14) requires that all students born after 1956 and enrolled in a public or private postsecondary school in Minnesota must provide evidence of immunization for measles, rubella, mumps, diphtheria, and tetanus. Students graduating from a Minnesota high school after 1997 are not required to provide documentation.

Forms for this purpose and additional information are available from the Admissions Office. Students may also submit immunization records maintained by their high school or health care provider. Proof of immunization must be received no later than the 45th day of the term, or the student will not be allowed to register for subsequent terms.

Minnesota State Residency
See Minnesota State Policy 2.2 and M.S. 135A.031, sbd2.
Students may establish eligibility for in-state tuition by demonstrating domicile in Minnesota before the beginning of any term. Students must have resided in Minnesota for at least one calendar year immediately prior to applying for in-state tuition. Residence in Minnesota must not be for educational purposes. Students must provide sufficient evidence of domicile. Resident Tuition Classification Request forms are available in the Admissions Office. Requests submitted without documentation will be returned to the student unprocessed. Students will receive a written response by mail within 30 days of their request.

EDUCATIONAL POLICIES
For a full listing of St. Cloud Technical and Community College (SCTCC) Policies and Procedures, visit www.sctcc.edu/policies.

Ability to Benefit Policy (ATB)
See Minnesota State Policy 3.4
Students who do not possess a high school diploma or GED certificate will not be eligible to receive financial aid. The ATB is a standardized, federally approved test. Students who do not have a high school diploma or GED may take the Accuplacer test at SCTCC to determine their ability to benefit from instruction. This policy does not restrict a student from enrolling in programs at SCTCC, but does apply to receiving financial aid. For more information, please contact the Admissions Office at (320) 308-5089.

College Readiness Assessment
See Minnesota State Policy 3.3 & SCTCC Policy S3.7
SCTCC requires all applicants, unless exempted, to complete a Minnesota State approved academic assessment before registering for classes. SCTCC uses the Accuplacer test. Students who have taken the ACT test within three years may be exempt from taking the Accuplacer test. This assessment must be completed within 30 days of acceptance. Failure to take the assessment test within this time frame may result in cancellation. A letter and brochure about the test will be mailed at the time the student is accepted to the College. College readiness courses will be required of students earning scores below the minimum standards in Reading Comprehension and Math. Students may retest one or all parts of the test. A fee will be assessed for each retest.

COVID-19 Notice
St Cloud Technical and Community College holds as paramount the health, safety and welfare of every member of its community. St Cloud Technical and Community College, however, cannot guarantee a COVID-19-free environment. Unfortunately, the risk of COVID-19 exposure exists in all public places where people are present. St Cloud Technical and Community College is taking all recommended steps to mitigate this risk, but we cannot categorically guarantee you will not get sick. Minimizing the risk of COVID-19 infections (or any other spread of disease) at St Cloud Technical and Community College is a shared responsibility. As outlined below, every member of our community – including you – must do their part. Understand that if you return to the physical campus of St Cloud Technical and Community College, there is a risk you may contract COVID-19 and that illness, injury or death is a possible result.
Credit by Exam (Test Out)
See SCTCC Policy S3.12
Test-outs may be written, oral, performance-based, interviews, or any combination of these. Academic advisors can supply additional information about course requirements and specific tests. The cost for test-out is determined annually and is published on the test-out form. The fees must be paid at Financial Services prior to the exam. The exam fees will not be refunded for students who fail to demonstrate the necessary competency. Credit awarded for college-level learning shall be noted in the official student transcript. Test-outs are not allowed if the course has previously been taken for credit or if the student is currently enrolled in the course. Students must be enrolled at SCTCC. The test-out option is not available for all courses.

Credit for Prior Experiential Learning Based on Life/Work Experience
See SCTCC Policy S3.12
SCTCC students may apply to obtain course credit based on previous relevant life/work experience and learning. Students must document, through a portfolio process, how they have met the learning outcomes for a specific course. This type of credit does not apply toward the residency requirements of a major and will be noted as CR (credit by examination) on the College transcript. A non-refundable fee is charged for each course for which credit is being requested.

Grading System
See SCTCC Policy S3.21
Student achievement is recorded using the grades listed here:

- A = Superior
- B = Very Good
- C = Average
- D = Passing (except specified majors)
- F = Failing
- FN = Failure due to non-attendance
- FW = Failure due to unofficial withdrawal
- I = Incomplete
- IP = In Progress
- NC = No Credit
- P = Passing
- W = Withdraw
- CR = Credit by Examination
- AU = Audit
- P = Indicates a “C” or better indicating satisfactory progress

The “CR” is granted to students with advanced standing, test-out, or credit by examination.

Grade Changes
Grade changes on all courses must be signed by the instructor and approved by the academic dean.
Grade Point Average (GPA)

*See SCTCC Policy S3.21*

GPA is determined by adding all grade points earned and dividing them by the sum of all credits attempted in courses where letter grades of A, B, C, D, or F were received. GPA is computed on a semester and cumulative basis. A semester example is shown below.

Graduation Requirements

*See SCTCC Policy S3.12*

The Graduation Requirements Policy governs the awarding of certificates, diplomas, and degrees and is based in part on *Minnesota State Policy 3.36 Degrees, Diplomas, and Certificates*. Students seeking to graduate from St. Cloud Technical and Community College must:

- Satisfactorily complete the required curriculum.
- Earn at least 15 or 1/3 of the technical credits (whichever is less) at SCTCC for a diploma or certificate.
- Earn 20 or more program credits at SCTCC for AAS or AS degrees.
- Earn 20 or more credits at SCTCC for an AA degree.
- Maintain a minimum cumulative grade point average of 2.0.
- Satisfy all general and specific requirements of the college including fulfillment of all financial obligations.
- Submit an Application for Graduation Form at least one (1) term prior to the anticipated date of graduation. Forms are available at [https://webapps.sctcc.edu/online_grad/](https://webapps.sctcc.edu/online_grad/)
- Petition any exemptions to program graduation requirements by requesting course substitutions using a Student Petition form. Forms are available at Financial Services.
- Participate in exit counseling if student is a loan recipient.

Incomplete

*See SCTCC Policy S3.21*

Students who are doing satisfactory work in a course, but cannot complete all requirements, may receive an incomplete “I.” An incomplete is given for reasons such as serious personal or family illness. Documentation may be required. Incomplete grades are assigned at the discretion of the course instructor only after the midpoint of the course. The course instructor and the student will develop a contract outlining the remaining work to be done. A signed copy of this contract will be kept on file in the academic division. Students must complete the course requirements within one semester. Incomplete spring semester coursework must be completed by the end of the following fall semester.
Incomplete grades that are not changed by the end of the following semester will be changed to “F” for failure.

Military Leave
*See Minnesota State Policy 5.12.1*

Students who are members of the U.S. military reserves and who are unable to complete a semester due to being called to active duty shall, to the extent possible, be provided the following options:

- The student may be given a full refund of tuition. Students receiving financial aid who chose this option should be made aware that they may be liable for any required refunds of state or federal financial aid funds.
- The student may be given a grade of incomplete in a course and complete it upon release from active duty. Course completion may be accomplished by independent study or by retaking the course without payment of tuition. Under federal financial aid policies, a course that is retaken this way may not be counted toward a student's enrollment load.
- If, in the instructor’s judgment, the student has completed sufficient course work to earn a grade of C or better, the student may be given credit for completion of the course.

Repetition of Courses
*See SCTCC Policy S3.4*

A student may repeat courses in an effort to improve their grades. The highest grade earned will be used in calculating the student's grade point average (GPA). Repeating a course more than once will result in the removal of only one previous grade from the GPA calculation. Regardless of the grade earned, students may only repeat a course two times.

All course attempts will remain on the student's permanent academic record and may affect satisfactory academic progress.

**NOTE:** Some majors may have more restrictive policies for repetition of courses. Students may repeat courses at their own discretion. However, financial aid or veteran's assistance funding may not be available if the repeated course has already been completed satisfactorily.

Prerequisites

Students who fail the first course of a sequence cannot take the following courses in that sequence until a passing grade is obtained. Prerequisites for a course must be met before the course is taken unless permission to omit the prerequisite is obtained from the instructor and academic dean. Prerequisites may be met by completing the required course, achieving satisfactory scores on the Accuplacer test, passing an appropriate challenge examination, or obtaining Credit for Prior Learning. Check with the Office of Records and Registration or with an advisor for information about testing-out (*see Credit by Exam or Advanced Standing or Credit for Prior Learning*).

Academic Forgiveness
*See SCTCC Policy S3.5*

Academic forgiveness may be granted once and is limited to SCTCC coursework. Students who have earned a cumulative grade point average of less than 2.0 may have the grades and completion rate earned during that period of attendance forgiven. A student seeking academic forgiveness:
• May not be enrolled at SCTCC for at least three years prior to re-enrollment.
• Must complete one term of full-time enrollment, or equivalent, with a grade point average of 2.0 after re-enrollment.
• Must submit a form for academic forgiveness to Records and Registration with an academic advisor’s signature.

If a student meets the criteria listed above, Records and Registration will make the following changes to the student’s academic transcript: All D, FW, and F grades earned in courses taken prior to the date of forgiveness will remain on the transcript but will no longer calculate in the GPA. Additionally, all unearned credits will no longer calculate in the completion rate.

Academic forgiveness does not extend to financial aid. All credits and all grades attempted will be included when determining satisfactory academic progress.

**Academic Integrity**

*See SCTCC Policy 3.28*

Academic integrity is highly valued at SCTCC and throughout higher education. Maintaining academic integrity is the responsibility of every member of the college community: faculty, staff, administrators, and students. The objective of this policy and procedures is to ensure that the highest level of respect for intellectual achievement is maintained at every level of college life and across all modes of learning, whether in class, online, at home, or during collaboration with other students, faculty, or staff. Respect for intellectual achievement is upheld through the principles of honesty, fairness, and due process established in this policy and procedure.

Definition of Academic Integrity: The production and submission of work as the honest representation of the individual’s own intellectual effort.

Examples of maintaining academic integrity consist of the creation of the student’s own class assignments, proper citation of sources of information, truthful recording of lab results, and respecting and not interfering with the work of other students.

The following actions are considered violations:
• Cheating: The use of “unauthorized” assistance when taking course quizzes or exams.
• Plagiarism: The use of another person’s work through summary, paraphrase, or direct quote without proper acknowledgement OR the purchase or solicitation of academic work.
• Collusion: A formal or informal agreement by two or more individuals to commit an act of academic dishonesty. A student who assists another student in the act of academic dishonesty is equally subject to discipline.

**Academic Standing: Satisfactory Academic Progress (SAP)**

*See Minnesota State Policy 2.9 and Procedure 2.9.1 & SCTCC Policy S3.3*

In accordance with federal and state regulations and Minnesota State Policy 2.9, SCTCC monitors all credits for all students and applies the following minimum cumulative standards of progress beginning with the student’s first attempted credit. All students must:
• Meet or exceed a cumulative earned grade point average (GPA) of 2.00 (C average), and
• Meet or exceed a cumulative earned percentage of 67% of all attempted credits.

A student who does not meet this standard will, at the end of the term, be placed on academic and financial aid warning. A Success Plan must be completed by students on warning status, and a meeting with an academic advisor is required. Students on warning who do not achieve a cumulative 2.0 GPA and 67% completion rate during their next term of enrollment will be suspended at the end of the term.

A student on suspension is not eligible to enroll in classes or receive financial aid. An initial academic suspension is for a period of one regular semester (excluding summer). Any subsequent academic suspension(s) will be for one full academic year.

Notification: Students failing to maintain the academic progress standards listed above are notified in writing of warning or suspension and the process to appeal suspension status.

Maximum time frame for financial aid recipients: Students may continue to receive financial aid through 150% of the published credit length of their declared program. Example: 150% of a 60-credit AA degree equals 90 credits. Changing a major will not extend a student’s maximum time frame.

Appeals: A student may appeal suspension or maximum time frame based on unusual or extenuating circumstances, including but not limited to the death of a family member or student injury or illness. Documentation must be provided to support an appeal. The student is notified of the appeal results by letter.

Students with an approved suspension appeal are placed on probation and must meet the cumulative satisfactory academic progress standards (cumulative GPA of 2.00 and 67% credit completion) or meet or exceed the term GPA of 2.5 and the term completion rate of 100%. Probationary students failing to meet that standard will, at the end of the term, be suspended. Probationary students must complete a Success Plan.

Reinstatement: A student on warning status is reinstated with academic good standing upon meeting or exceeding the minimum cumulative standards of academic progress. A suspended student may have eligibility to enroll and financial aid reinstated only after an appeal has been approved. Neither paying for one’s own classes nor sitting out a period of time is sufficient in and of itself to reestablish eligibility for enrollment or financial aid.

Health Major Satisfactory Progress
All health majors must earn a grade of “C” or better in all required courses. Carefully review the program handbook’s specific requirements.

Degree Audit Reporting System (DARS)
DARS is a computer-based system that lists the college requirements for your program of study and helps you plan and monitor your progress by:
• Identifying all the requirements needed to complete your specific program;
Indicating courses you have already completed, both at St. Cloud Technical and Community College and transfer courses, and how they pertain to your requirements; and,

Specifying what you still need to complete in your program and the courses you may select to satisfy each requirement. The DARS report is designed to help you identify and understand your current academic requirements for degree or program completion. The DARS report is simple to read and understand once you familiarize yourself with its contents. You can access your degree audit through e-services. Click on grades and transcripts; select interactive degree audit.

**STARFISH**

Starfish provides students with one central online location to schedule appointments with their success network such as faculty, the Academic Advising Center, and the Center for Academic Success. Starfish is also used as a tool to notify students of a job well done or of academic concerns. To access Starfish, login to Desire to Learn (D2L Brightspace) and click the Starfish link.

**Student Petitions**

Students may file a Student Petition if they feel they have extenuating circumstances that may have affected their ability to follow college policy or procedure in any of the following areas:

- Dropping courses during the defined drop period
- Withdrawing from the college during the defined withdrawal period
- Grading
- Graduation Requirement Adjustment
- Required Course Substitution
- Pre-requisite Equivalency
- Transfer of Credit Appeal
- Tuition Payment

Students must complete the Student Petition Form available in Financial Services or online at http://www.sctcc.edu/records and attach any additional documentation that supports their request. The completed form should be returned to Financial Services. The form will be forwarded to the appropriate academic dean or the appeals committee for review. Students will be informed in writing of the decision regarding the appeal.

**FINANCIAL SERVICES**

**Financial Aid**

The student’s family has the primary responsibility to pay for an education. Financial Aid is intended to supplement the difference between the cost of education and expected family contributions. Several financial aid programs are available to help students meet their educational expenses. The Financial Services Office can help determine the financial aid programs for which students are eligible. The Financial Services Office is located in the Northway Building just inside door 1.

The Financial Services Office determines a student’s eligibility by applying federal and state guidelines.
To be eligible for financial aid, students must meet the requirements detailed on the Free Application for Federal Student Aid (FAFSA), enroll as a student working toward a degree or certificate in an eligible program, and maintain satisfactory academic progress. The Academic Standing and Financial Aid Satisfactory Academic Progress Policy can be found at www.sctcc.edu/academic-standing.

**Steps To Receive Financial Aid**

Financial aid is awarded by award year. The award year for SCTCC starts with the Fall Semester, followed by the Spring Semester and Summer terms. Summer is awarded separately from the Fall and Spring semesters.

Apply for admission to an eligible program at St. Cloud Technical and Community College. Only students accepted into an eligible program are eligible for financial aid.

- Students will need a FSAID number to electronically sign their federal financial aid application. To apply for a FSAID, go to https://fsaid.ed.gov/nas. Parents may also apply for a FSAID.
- Complete the Free Application for Federal Student Aid (FAFSA). Students can complete the FAFSA online at https://studentaid.ed.gov/fafsa. A paper form is also available at SCTCC. The college code for SCTCC is 005534. It takes approximately two weeks for SCTCC to receive FAFSA data when the online application is used and four weeks if the paper version is used.
- After all documentation is received by SCTCC, students will be sent an award notification. A student’s notification will include the grants and federal student loan eligibility for which they qualify.
- Separate applications are required for student loans, work study, and the child care grant program. A student’s award notification will direct them when and where to apply for these funds.

In order to qualify for a MN State Grant, the student’s Free Application for Federal Student Aid (FAFSA) must be received by the Federal Processor no later than 30 days after the start of the term. Students whose FAFSA data is received by the Federal Processor after that date will be ineligible for MN State Grants for the term.

**Disbursement**

Financial aid, including scholarships, grants, and loans, disburse 2 weeks after the start of each semester. At that point, financial aid first pays off all tuition and fees the student owes the college; then, if there are funds left over, an overage is available for the student. Excess aid is paid to the student via direct deposit or check. Most financial aid awards are split evenly between Fall and Spring semester, except work-study earnings, which are paid to the student worker every two weeks. The amount of financial aid is based on Enrollment Status.

Financial Aid is paid for courses a student actually attended. If a student registers for a course, then drops the course during the college add/drop period or before the course obligation date, financial aid must be returned for that dropped course.

Types of Financial Aid

GRANTS
Grants are gift aid which students typically do not have to pay back.

Federal Pell Grant
Undergraduate students may apply for the Federal Pell grant by completing the Free Application for Federal Student Aid (FAFSA). These funds may be received for no more than six full-time years.

Federal Supplemental Educational Opportunity Grant (FSEOG)
This federal program is designed for students who have exceptional financial need. Students must be Pell eligible.

Minnesota Grant
This is a grant for Minnesota residents who are attending an accredited post-secondary institution.

Post-Secondary Child Care Grant
This is a grant for Minnesota residents to help offset the cost of daycare to attend college.

Miscellaneous Scholarships
A scholarship is money that does not need to be repaid. Scholarships are made possible through the generosity of private parties. A list of various scholarship resources can be found at www.sctcc.edu/scholarships.

LOANS
Loans are financial aid that must be paid back with interest. There are both annual and cumulative limits to the amount a student can borrow.

William D. Ford Federal Direct Loan Programs: Subsidized
A federally subsidized, low-interest student loan, funded by the federal government and awarded on the basis of financial need. The federal government pays the interest on subsidized loans, while borrowers are enrolled at an eligible school at least half-time, during the six-month grace period, or during authorized periods of deferment.
William D. Ford Federal Direct Loan Programs: Unsubsidized
A low-interest loan for students who do not meet the financial-need criteria for a subsidized loan. The borrower is responsible for all interest charges on the loan, which is funded by the federal government. Interest charges begin when the first loan distribution is processed.

William D. Ford Federal Direct Loan Programs: PLUS
An education loan which parents can borrow on behalf of their dependent children.

Work Study
Work study is employment for students either on or off campus. Pay is determined in accordance with the minimum wage laws. These programs provide for up to 20 hours of employment per week. Total work-study earnings are limited and based on need as determined by the FAFSA application.

To secure a work-study position, a student must:

- Visit the Financial Aid Office near the main entrance to review available jobs.
- Identify a job they are interested in and verify they have the required qualifications for the job.
- In most cases, students will apply for the position and interview with the sponsoring department supervisor.

Once awarded the position, the student and the supervisor will create an agreed-upon work schedule.

Veterans Assistance
Funding may be available if a student is a member of the National Guard or Reserves, if a student is a veteran of the U.S. Armed services, or a dependent or spouse of a disabled or deceased veteran. Students will need to provide a copy of their schedule to the Financial Services Office each semester to receive funding. Please see the staff in the Veteran’s Resource Center for questions related to eligibility.

For additional information, contact the Financial Services Office by phone at (320) 308-5961 or by email at financialaid@sctcc.edu. Information is also available at https://www.sctcc.edu/financial-aid.

Policy for Complete Withdrawal
Students who withdraw from ALL classes during a semester or term are subject to the federal regulations requiring repayment of federal aid based on a pro-ration of days of attendance. The regulations will financially impact any aid recipient if the student withdraws from college prior to the 60% point in a semester. A student who withdraws during the first 60% of a semester will owe tuition and fees according to the institutional policy for the days attended, and the student may have to repay a portion of the federal aid he/she received. The following chart outlines the effect of these regulations:
St. Cloud Technical and Community College will automatically return both the institutional and student un-earned portion of grant funds, then bill the student.

If, according to the refund policy of the school, the student is due a refund of tuition and fees because of an enrollment status change or the student withdraws, all or a portion of that student’s refund may be due to one of the state financial aid programs. The refund remaining after the institution’s share of any required refunds to Title IV programs has been fully refunded is distributed on a proportional basis to non-Title IV aid programs requiring refunds, not to exceed the actual amount the student received from each program.

**TUITION, FEES, AND PAYMENTS**

**Tuition and Fee Policy**
Tuition rates per credit and fees are subject to change according to Minnesota State and/or college policies. Current tuition and fee rates are posted at [https://www.sctcc.edu/tuition](https://www.sctcc.edu/tuition).

**Health Service Fee**
All students must pay a per credit health service fee. The fee is determined annually and posted at [https://www.sctcc.edu/tuition](https://www.sctcc.edu/tuition). These funds purchase an accident insurance policy, $5,000 limit, no deductible, which covers students on campus and at all off campus college-sponsored events, including internships and supervised occupational experiences. Since it is a secondary policy, students covered by another policy will pay for the deductible on their primary policy. Claim forms and a reference copy of the policy are available in the Business Office.

**LeadMN Feed (Formerly MSCSA)**
LeadMN is the recognized student association for all Minnesota technical and community college students. A per credit fee is charged to each student and credited to the association for state-wide representation. The fee is determined annually and posted at [https://www.sctcc.edu/tuition](https://www.sctcc.edu/tuition).
**Student Activity Fee**
All students (except senior citizens) must pay a per credit student activity fee. The Student Senate uses these funds to sponsor special events for students. A complete budget may be requested from your Student Senate representative. The fee is determined annually and posted at https://www.sctcc.edu/tuition.

**Technology Fee**
The purpose of the technology fee is to increase service, quality, and/or access to high-end technology. The technology fee will be charged to all students. The fee is determined annually and posted at https://www.sctcc.edu/tuition.

**Transcript Fee**
Students may obtain an official transcript of their grades by completing a request for transcripts and paying $10 for each transcript requested.

**Parking Fee**
Students must pay a per credit parking access fee. The parking access fee is determined annually and is subject to change. Information is posted at https://www.sctcc.edu/tuition. Students must register vehicles online before obtaining a permit. Go to www.sctcc.edu/parkingpermit to register. Permits are available at Financial Services.

Parking access fees are for the development and upkeep of the college’s parking lots, access road, parking security, associated lighting and sidewalks to the campus, administrative costs associated to access/parking and is used solely for that purpose. All students, regardless of whether their education includes actually parking in the lots, benefit from the establishment and maintenance of the lots. It is an embedded service that allows service providers, students, faculty, staff and administration, security, delivery vehicles, etc., the access to our buildings necessary to complete the mission of the college. Students electing not to park on campus may request a parking waiver by completing the Parking Waiver Form available at Financial Services.

Students fully enrolled in online courses will not be charged.
A parking permit refund may be obtained from the Business Office on the same prorated basis used to refund tuition upon withdrawal from the College.
For an additional fee:
Daily parking permits - $2
Replacement of lost or stolen permits - $10
Additional permits - $10
Motorcycle permits will be issued at no extra charge provided a vehicle permit is purchased.

Everyone using SCTCC parking lots between 7:00 am and 10:00 pm is required to display a current parking permit. No overnight parking is permitted unless approval has been obtained from the Director of Public Safety when the student is attending College functions that require College transportation. Vehicles without a properly displayed permit may receive a ticket.

The purchase of a permit does not guarantee the availability of a parking space. Parking is not available in Lot B. Any vehicle parked on the campus is parked at the risk of the owner. The college assumes no
responsibility for care or protection of any vehicle or its contents. Unpaid parking tickets will be recorded and may prohibit a student from registering for classes and obtaining transcripts.

PSEO Student Parking. PSEO students are personally responsible to pay the per credit fee to park on campus. The parking fee is due by the beginning of each semester and can be paid at Financial Services. A parking permit will be issued at the time of payment. PSEO students electing not to park on campus may request a parking waiver by completing the Parking Waiver Form. The form is available at Financial Services. Failure to pay the parking fee by the beginning of the semester may result in the assessment of a late fee.

Residents 62 years or older may register tuition-free for any hour-based courses except for courses designed and offered specifically and exclusively for senior citizens (prerequisites must be met). Senior citizens registering for credit-based courses are required to pay $20 per credit. If the course is audited, tuition is free. Exceptions may apply. State law states that a senior citizen may take a course “when space is available after all tuition-paying students have been accommodated.” This means senior citizens may have to wait until the first class meeting to register. Senior citizens are responsible for all materials, personal property, or service charges for the course, including the technology fee, parking fee, LeadMN fee, and health service fee.

Tuition Payment
Per Minnesota State Policy 5.12.3, payment of tuition and fees will be on the due date posted on the www.sctcc.edu homepage. Students whose tuition is unpaid or who do not have other approved financial arrangements in place by this deadline will have their registration cancelled and be denied entrance to class. To avoid registration cancellation, one of the following approved financial arrangements must be in place:

- Tuition/fees paid in full
- Down Payment of 15% of tuition/fees or $300 through the NBS tuition payment plan
- Financial Aid, meaning the FAFSA is complete and the College has an ISIR on file
- Scholarship or other agency/third party support in place of at least 15% of tuition/fees or $300 through the NBS tuition payment plan
- A completed PSEO student enrollment agreement on file
- Active I-20 or DS2019 in place for an international student

Students are financially obligated for every class in which they are registered. Students who register for but do not attend classes at SCTCC and fail to formally withdraw or drop classes within the free drop/add deadline will still be responsible for the full tuition amount due. After the free drop/add deadline, students must withdraw from ALL courses to receive a pro-rated refund based on the date of total withdrawal. It is the student’s responsibility to check their balance due online.

No invoices or tuition statements are mailed. Accounts may be reviewed and payments made online at www.sctcc.edu.
- Click on e-services (under Quick Links)
- Log in with StarID and password
- Click on Bills & Payments
Follow the directions provided to pay with e-checks, Visa, Mastercard, or Discover credit cards.
International students not meeting the payment criteria outlined above will have their registration cancelled after the fifth day of the term.

Students are responsible to ensure that financial aid documents (ISIR with the Financial Services Office) and agency awards (documents with the Business Office) are complete and on file prior to the deadline. Students will be allowed to add courses to their schedules through the drop period. Courses added or dropped may affect the balance that a student owes. Students are encouraged to check their account online after any course changes. Course changes may also affect the amount of financial aid that a student is eligible for. Changes may cause payment plans to change.

If a student’s account is not paid in full, a hold will be placed on the student’s account and a $50 late fee may be applied. The student will be unable to register for future classes or receive an official transcript until full payment is made. If a student’s account remains unpaid, the account will be turned over to the Minnesota Department of Revenue to collect. Individuals that submit Non-Sufficient Fund (NSF) checks will be subject to a $25 charge and asked to make restitution by cash, money order, or cashier’s check. A registration hold will be placed on the student’s account. The policy on NSF checks and the fine are subject to change without notice.

**Tuition Deferment**
SCTCC offers a service for students who must defer tuition and other college costs and who do not qualify or are not eligible for agency funding, loans, or grants. The College contracts with Nelnet Business Solutions (NBS), a tuition management company that provides a low cost option for budgeting students’ college costs. SCTCC/NBS has established several payment schedules requiring various down payment amounts and number of payment dates. Students register online with NBS via the SCTCC website, www.sctcc.edu.

- Click e-services (under Quick Links)
- Log in with StarID and password
- Click on Bills & Payments
- Enroll in New Payment Plan

Students will not be allowed to register for a new term if deferred payments from a previous term are not current. Payments may be deferred only for the current semester, and the entire balance must be paid in full by the end of that semester. A $30 processing fee will be charged for each deferment agreement. Deferred payment plans cannot be established or extended for past debt or for students not currently enrolled. Additional information on NBS payment options is available from the Business Office at (320) 308-5572 or (320) 308-5512.

**Refunds, Drops, Withdrawals, and Waivers**
*See Minnesota State Policy 5.12*
Students are financially obligated for every class in which they have registered. Students who register for but do not attend classes at SCTCC and fail to formally withdraw or drop classes within the free drop deadline will still be responsible for the full tuition amount due. After the free drop deadline, students must withdraw from ALL courses to receive a pro-rated refund based on the date of total withdrawal. It is the student’s responsibility to check their balance due online.
DROP/WITHDRAW
Students may drop courses by using the WEB registration system through the fifth day of the semester or the first business day after the course begins, whichever is later. Students who withdraw from courses after the drop period will receive a grade of “W.” Students can initiate a course withdrawal through 80% of the instructional days for the course.

No tuition refunds will be processed by the Business Office for courses withdrawn from after the drop period. (Students withdrawing from the college, see below.)

Students wishing to completely withdraw from the college should obtain a “Withdrawal Worksheet” from the Admissions Office. Students should complete and sign the top portion of the form and return it immediately to the Admissions Office. The date of the withdrawal will be the date the completed form is received by the Admissions Office. Student-initiated withdrawals are allowed until 80% of the instructional days in the academic semester have elapsed. The Business Office will determine if a refund is appropriate and to whom the refund should be distributed. Questions about refunds should be directed to the Business Office.

Withdrawing from a Course
Students withdrawing from a single course (after the drop period listed above) are not eligible for a refund and will receive a grade of "W." Students can initiate a course withdrawal through 80% of the instructional days for a course. Students may withdraw online or a course withdrawal form can be completed in Records and Registration.

Refunds for Total Withdrawal from College
Students who officially and totally withdraw from the College may be eligible for a refund as defined below. Withdrawal forms are available in the Admissions Office. A student who withdraws simply by non-attendance will not be eligible for a refund. When students do not officially withdraw, they will receive the earned grade in each course for which they are registered and will be liable for all tuition and fees for those courses.

Waivers
The College President may waive amounts due to SCTCC for the following reasons:

- Employee Benefit Provided by a Bargaining Agreement
- Death of a Student
- Medical Reasons
- College Error or Unsatisfactory Service
- Employment-Related Conditions
- Significant Personal Circumstances
- Student Leader Stipends
- Course Conditions

A course condition exists when the location or timing of the course results in the student not being able to use the services intended by a fee. Students will be required to provide documentation with their request.

Instructor- Initiated Class Drops
An instructor will submit names of students who fail to attend during the first five days of the semester. The academic dean's office will drop the names of students submitted by that instructor. At any time, instructors may withdraw a student after two weeks of non-attendance.

RECORDS AND REGISTRATION
The Office of Records and Registration is responsible for maintaining the student record system and for publication of the course schedule. This office is additionally responsible for the release of transcripts, the awarding of degrees, diplomas and certificates, and transfer of credit. Any questions regarding adding and dropping classes, transfer of credit and graduation should be directed to Records and Registration.

Registration Sessions
All accepted students are required to attend an Advising and Registration session where they will be advised on course selection before enrolling in college courses. To register for courses, students must have completed a course placement test or been informed they are exempt from testing. Any student who has not attended classes for one year or longer will be required to re-activate their file with the Admissions Office and attend an Advising and Registration Session. SCTCC will provide directions and deadlines for completing the Advising and Registration session.

Registration Process for Continuing Students
Degree seeking students who are currently enrolled at the College will be eligible for priority registration for the following semester.

Students are encouraged to review course information at www.sctcc.edu prior to the meeting with their advisor. The advisor will review the program planner with the student to ensure registration for appropriate courses and that prerequisites and other educational requirements have been met.

Students should also be sure that there are no registration holds on their account that would prevent registration.

Returning Students
Students who have voluntarily “stopped out” (not attended classes) for one semester must meet with their academic advisor prior to registration.

**Auditing Classes**
Students who wish to attend the class sessions of a course, but do not wish to receive credit, must register for an audit. The same registration procedure is followed and the same tuition and fees are charged. Students are expected to attend classes, but the taking of tests is optional. Audited courses do not affect grade point average. Financial aid and veteran’s benefits will not pay for audited courses.

“Course Audit Application Forms” can be obtained from the Records and Registration and must be returned during the open enrollment period. Students are responsible for obtaining the required signatures. Students will not receive credit for a course which was audited unless the course is retaken for credit.

**Course by Arrangement**
In extreme cases of schedule conflict or unusual course demands, students with the approval of the academic deans may take courses by arrangement. Students may not take previously failed courses by arrangement.

**Credit Load**
Students registered for at least 12 credits are considered full-time students. Students registered for 9–11 credits are considered three-quarter time students. Students registered for 6–8 credits are considered half-time students. The maximum allowable load without special permission is 20 credits during fall and spring semesters and 13 credits during summer semesters.

Students who wish to enroll for more than the established maximum must secure permission from their academic advisor. Students wishing to enroll in more than 25 credits must get a dean’s permission.

Students are classified according to course credits earned: freshman = 0 to 30, sophomore = 31 and more earned credits.

**Internships, Practicums, and Clinicals**
Many majors include the opportunity for students to participate in off-campus practical work experiences. In some cases, these work experiences are required. The College may assist the student in finding an initial placement site. The College is not responsible for finding alternative off-campus work experience placement following a student’s termination from the initial placement site.

Work experience includes the following:
- Internships
- Practicums
- Supervised occupational experience, clinicals, training associations, and other off-site work experiences.

**Change of Address**
Students are required to report any change of address or telephone number to any student services office in person. The process may also be completed using e-services. It is important that the college has
correct information regarding both local and permanent addresses in the event of an emergency and for billing purposes, schedules, and grades. A picture ID will be required to process the request.

**Transfer of Credit Policy**

*See SCTCC Policy S3.8*

Credits for transfer from Minnesota State institutions shall follow the Minnesota State Undergraduate Transfer policy 3.21 and Minnesota Transfer Curriculum policy 3.37. Transfer evaluations are completed in the Office of Records and Registration once the student has been accepted into a major. Students must provide an official transcript from all previously attended colleges. Students may also be asked to provide additional documentation of courses taken (course descriptions, course outlines, or syllabi). Students will receive a list of courses transferred once the transfer evaluation is complete. Students may appeal the decision of the transfer credit evaluation as outlined in the Minnesota State Undergraduate Transfer Policy beginning with the appeal process listed below.

**Transfer Appeal Process**

If a student is not satisfied with the outcome of the above Transfer of Credit process, the appeal process is as follows:

1. Meet with the Registrar to provide clarification of the transfer. The clarification process involves faculty input and evaluation of the course description. The Registrar may require the student to produce a copy of course outlines or syllabi and may do additional research on the course in question. The Registrar may or may not transfer additional classes after this meeting. If the student is not satisfied with the end result of this meeting, they may proceed to the next step.

2. Complete a written appeal to the Vice President of Academic and Student Affairs regarding the result of the transfer. The Vice President of Academic and Student Affairs will examine what courses have been completed and determine if any further action is necessary.

3. If a student is not satisfied with the college transfer appeal decision, the student may submit a request to the Minnesota State Senior Vice Chancellor of Academic and Student Affairs for a system level appeal of the college transfer appeal decision.

**Accreditation:** SCTCC will consider for transfer those courses taken from colleges and universities that are accredited by regional or national accrediting agencies.

**Age of Credits:** Transfer of technical courses shall be allowed for courses that have been completed within the last 5 years (may be extended if an academic award was received and the student is working in the field). Specific or required math and science courses have a 10-year time limit. General studies and general education courses in the liberal arts have no time limit.

**Course Content:** Courses approved for transfer must match at least 75% of the content and goals of the course syllabus for which the student is seeking transfer. Content and goals from several courses can be combined to reach the 75% match.

**Grade Point Average:** Grades earned at other institutions shall not be used in computing the GPA at SCTCC.

**Grade Requirements:** Courses for which students receive a grade of “C” or higher shall be considered for transfer. Courses with a grade of “D” that are assigned to a goal area of the Minnesota Transfer Curriculum will also transfer but may not satisfy major or program requirements.
**Number of Credits:** The number of credits granted shall not exceed the number of credits awarded by the sending institution.

**Semester Conversion:** The following formula is used to calculate the conversion: 3 quarter hours become 2 semester hours and 4 quarter hours become 2.67 semester hours (4 x .667 = 2.668).

**Residency Requirements:** Diploma students must earn 1/3 of the technical/program credits at SCTCC. AS and AAS students must earn a minimum of 20 technical/program credits at SCTCC. AA students must earn a minimum of 20 of the required credits for the degree at SCTCC.

**Data Practices Policy**

*See SCTCC Policy S3.7*

Minnesota State complies with the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. §1232g, 34 CFR 99; the Minnesota Government Data Practices Act (MGDPA), Minn. Stat. Ch 13, Minn. Rules CH 1205; and other applicable laws and regulations concerning the handling of education records. Accordingly, the College adopts the following policy:

**Student** means an individual currently or formerly enrolled or registered, applicants for enrollment registration at a public education agency or institution, or individuals who receive shared time education services from a public agency or institution. All students at a post-secondary school have the same rights regarding their educational data regardless of age.

**Educational data or education records** means data in any form directly relating to an individual student maintained by a public education agency or institution or by a person acting for the agency or institution.

**Educational records do not include:**

1. Financial records of the student’s parents or guardian;
2. Confidential letters or statements of recommendation placed in education records before January 1, 1975, or after January 1, 1975, if the student waived right of access;
3. Records of instructional personnel that are kept in the sole possession of the maker and are not accessible or revealed to any other individual except a temporary substitute for the maker and are destroyed at the end of the school year;

See Minnesota State Policy 1B.4

Disability Services, in collaboration with the college community, provides equal educational access and opportunity for all qualified students with disabilities to participate in SCTCC programs, services, and activities. Access means that a qualified individual with a disability will not be excluded from participation in, or be denied the benefits of the services, programs, or activities, nor will the individual be subjected to discrimination.

**Student Code of Conduct**

*See Minnesota State Policy 3.24; Procedure 3.26.1*

St. Cloud Technical and Community College is committed to the creation and maintenance of an academic community that fosters the intellectual, personal, social, and ethical development of its students. This Student Code of Conduct, in tandem with the College’s Expect Respect behaviors, help ensure a learning community that is vibrant and respectful of the rights, opportunities, and welfare of students, faculty, staff, and guests.

In addition to students understanding their rights and responsibilities, St. Cloud Technical and Community College expects that each student will obey the laws enacted by federal, state, and local governments. In addition, there are certain rules and regulations governing student conduct that have been established by St. Cloud Technical and Community College and the Minnesota State Colleges and Universities Board of Trustees (Minnesota State). Persons who fail to act accordingly may be subject to disciplinary actions as set forth in the Student Code of Conduct.

**Off-campus Conduct**

St. Cloud Technical and Community College and the Minnesota State Colleges and Universities reserve the right to review student behavior that occurs off campus if the behavior violates college policy; local, state or federal laws; or adversely affects the educational or service interests of the college.

In addition to maintaining the confidentiality of each case, the College also ensures that alleged violators will be afforded due process in investigating their conduct.

To access a complete copy of the Code of Conduct listing disciplinary offenses, sanctions for conduct violations, disciplinary procedures, appeal process, and record retention, please go to [https://www.sctcc.edu/policies](https://www.sctcc.edu/policies).

**Alcohol/Drug Free Environment**

*See Minnesota State Policy 5.18*

Saint Cloud Technical and Community College is concerned about students' health, ability to learn, and ability to gain skills that will lead to successful lives. Therefore, it is our goal to ensure that students can study, learn, and relax in an environment free from illegal drugs and the illegal use of alcohol. However, we also understand that some students may need help with drugs or alcohol. To that end, we ensure access to SCTCC employees, local agencies, and other resources for direct services and/or referral.

SCTCC drug and alcohol use policies conform to Public Law 101-226, the *Drug Free Schools and Community Act of 1989*, and Minnesota State Policy 5.18. In short, this policy prohibits students from illegally possessing, using, and/or distributing drugs and alcohol on campus, in school vehicles, or at college-sponsored activities that occur off campus. The college also reserves the right to review student behavior that occurs off-campus if the behavior violates college policy, including the illegal use, possession, or distribution of alcohol and/or other controlled substances. The policy further describes prosecution and penalties.
The policy also outlines the scope of counseling, support, and referral sources available to students who are experiencing chemical abuse problems.

To access the complete policy and SCTCC’s Drug-Free schools Biennial Review, go to [http://www.sctcc.edu/drug-alcohol-tobacco](http://www.sctcc.edu/drug-alcohol-tobacco)

**Tobacco Use**  
*See SCTCC Policy 55.4 Procedure 55.4.1*  
Effective August 23, 2010, the use of tobacco products (including cigarettes, cigars, pipes, smokeless tobacco, e-cigarettes, and other tobacco products) by students, faculty, staff, and visitors is prohibited on all St. Cloud Technical and Community College properties at all times:

- In all interior spaces on St. Cloud Technical and Community College campus;
- On all outside property or grounds controlled, managed, or maintained by St. Cloud Technical and Community College campus—including all satellite locations and all partially enclosed campus areas such as walkways, breezeways, and bus shelters;
- In St. Cloud Technical and Community College vehicles, including buses, vans, and all other college vehicles.

The college prohibits the campus-controlled advertising, sale, or free sampling of tobacco products on campus. Littering the campus with remains of tobacco products or any other disposable product is prohibited.

Organizers and attendees at public events, such as conferences, meetings, public lectures, social events, cultural events, and sporting events using St. Cloud Technical and Community College facilities will be required to abide by the tobacco-free policy and procedure. Organizers of such events are responsible for communicating the policy to attendees and for enforcing this policy.

**Computer and Technology Use**  
*See Minnesota State Policy 5.22.1*  
The college has computers available for students’ use at a number of campus locations, including three Open Computer Labs. The college has established policies specific to programs using laptop computers. Before students are allowed to use the computers and access the college network, they are required to read and sign the *Computer and Technology Use Policy*. This policy is available in the Student Open Computer Labs and [http://www.sctcc.edu/policies](http://www.sctcc.edu/policies), Chapter S5.2.

**Animals on Campus**  
To maintain the security and well-being of campus constituents, St. Cloud Technical and Community College regulates animals on college property. There are four basic types of animals that may be found on campus grounds, but not all are permitted within college facilities: service, emotional support, work, and companion.

**Service Animals:** Service animals are defined by the Americans with Disabilities Act (ADA) as any dog, or in rare cases, a miniature horse, that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Service animals are permitted to accompany a person with a disability in all areas where
members of the public are permitted, including, but not limited to, offices, classrooms, dining halls, and conference rooms.

It is not always apparent whether a dog is a service dog, but the ADA regulates what types of inquiries can be made regarding service animals. The ADA permits individuals to ask if the dog is a service animal because of a disability and what work or task the dog has been trained to perform. It is not permissible to inquire about the person’s disability or medical documentation, nor is it acceptable to require proof of the dog’s certification or ask that the dog execute the trained task.

**Emotional Support Animals:** Emotional Support Animals (ESAs) are also referred to as assistance animals, comfort animals, or therapy animals. They are not considered service animals because they are not required to have special training or perform a specific task. ESAs are often used to provide therapeutic benefit to those dealing with depression, anxiety, phobias, or other conditions in which contact with an animal may improve physical, social, emotional, or cognitive functioning.

ESAs are not protected under the ADA, and are not permitted in indoor public areas such as classrooms, dining halls, computer labs, offices, or other campus facilities.

**Work Animals:** Work animals are those brought onto college property for educational or research purposes or to perform a service, such as animals brought in for therapeutic stress relief during finals week. Work animals might also include animals brought onto college property by a third party to perform a task such as an animal used in pest control or a police dog used in law enforcement efforts. Animals used for education or research are governed by the Research Involving Animal Subjects policy. Animals brought to campus for therapeutic purposes may be arranged by various SCTCC departments, but will only utilize animals that are trained as therapy animals and registered with a reputable animal therapy organization such as Pet Partners.

**Companion Animals:** Companion animals are those animals that are generally referred to as pets and are kept for companionship or leisure time activities. They may not be trained to perform any specific kind of task and they are not owned specifically to assist with a mental or physical impairment or disability. Pets or companion animals are prohibited from indoor public areas including, but not limited to, classrooms, offices, dining halls, and meeting areas.

**Denying Access or Animal Removal**
Per ADA regulations, SCTCC reserves the right to deny access to campus properties or require an owner or handler to remove their animal from campus properties if the animal behaves in an unacceptable way. Unacceptable behavior may include, but is not limited to:

- Uncontrolled barking, whining, growling, or making other distracting noises
- Uncontrolled jumping on, nudging, lunging at, sniffing, or licking other people
- Regularly escaping from handler or overpowering the handler
- Regularly begging for or taking food not freely offered by others
- Destroying college property or the property of others on campus
- Urinating or defecating indoors or in inappropriate areas
- Behaviors that pose a direct threat to the health or safety of others
SCTCC may also deny access or require an owner or handler to remove their animal if the owner or handler has failed to care properly for their animal and the lack of care becomes a distraction to the point of interfering with normal business or academic activities. For example, if an owner allows their animal to become unclean and the odor prevents the professor or other students from being able to focus on the lesson, the owner will be asked to remove the animal.

When a service animal is denied access or removed pursuant to this policy, SCTCC will make efforts to reasonably accommodate the owner or handler so that they may continue to participate in the program or activity without the service animal present.

Emergency Situations
In emergency or evacuation situations, SCTCC and/or emergency responders will make every effort to keep the service or therapy animal with its owner or handler. However, priority will be given to the safety of the owner and may necessitate leaving the animal behind in certain emergency situations.

Complaint/Grievance Policy
See Minnesota State Policy 3.8; SCTCC Policy 3.24

General Statement of Policy
St. Cloud Technical and Community College, in order to provide quality instruction and service, encourages student access to college faculty, staff, and administration to resolve questions, concerns, or complaints regarding SCTCC policies, procedures, or other actions or inactions of the College.

Students are encouraged to use available informal means to have decisions reconsidered before submitting a complaint or filing a grievance. The ultimate objective of this policy and procedures is to reach a mutually agreed upon resolution to the issue as quickly and efficiently as possible. No retaliation of any kind shall be taken against a student for participating in the complaint or grievance process. These procedures shall also protect data privacy rights. The college maintains a record of all complaints and grievances filed, and they are collected and archived in the Administrative Affairs Division.

This policy does not apply to academic grade disputes. Grade appeals are handled under a separate policy/procedure. Student complaints regarding discrimination or harassment are subject to SCTCC and Minnesota State Board Policy 1.B1, Procedure 1B.1.1.

Complaint Procedure
The goal of the complaint procedure is to quickly address a student’s question/concern about a college decision, action or inaction and come to a resolution agreeable to the student and the college as soon as possible.

Submitted verbally or in writing, the student may bring the complaint directly to a faculty member, administrator, manager, department chairperson, college supervisor, or other SCTCC staff. Complaints may also be brought to the manager, supervisor, or dean of the department/division closest to the disputed action.
Grievance Procedure
Student(s) not satisfied with the outcome of a complaint—and/or if the complaint involves the application of a college policy—may file a written grievance with the supervisor (director, dean, or vice-president) of the employee or department whose action gave rise to the grievance.

To file a written grievance, the grievant must provide the following information:
- name of the student(s) filing the grievance,
- name of the faculty or staff member whose action(s) is being grieved,
- statement of facts and nature of the grievance, including specific policy violation, if known,
- any documentation or evidence,
- date(s) of the incident(s),
- resolution being sought by the grievant, and
- grievant’s signature and date.

The written materials must be submitted to the Assistant of the Vice-President of Administration (office 1-401E). The Administrative Assistant will forward the grievance to the appropriate academic or administrative officer.

Appeals
A student may appeal a grievance decision based on the application of a specific college rule, regulation, policy, or procedure. The same written material submitted in the original decision will be presented for appeal to the appropriate divisional Vice-President.

If the grievance involves a board policy, the actions of a college or university president, an issue of institutional or program quality such as an institution's compliance with the standards of an accrediting or licensing agency, or a claim of consumer fraud or deceptive trade practice, a student may further appeal the college or university decision to the Office of the Chancellor. The decision of the chancellor is final and binding. To contact the Chancellor’s Office: Academic and Student Affairs, Office of the Chancellor, Wells Fargo Place, 30 7th Street E., Suite 350, St. Paul, MN 55101-7804.

St. Cloud Technical and Community College is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools (HLC). In cases that involve SCTCC’s compliance with the standards of the College’s accrediting agency, questions or concerns may be directed to: Higher Learning Commission, 230 South LaSalle St., Suite 7-500, Chicago, IL 60604-1411.

Time Limits
If a complaint or grievance is not submitted within the established time limits, it shall not be considered. If the college staff or administrator does not address the complaint or grievance within the established time frame, the student may appeal the complaint or grievance to the next step.

Grievance-Appeal Information for Accommodations
The following is the grievance procedures as it pertains to reasonable accommodations. It is the policy of SCTCC to comply with the provisions of the following (this is not an exhaustive list): The Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, and Minnesota State Board Policy 18.4. Discrimination of qualified individuals with disabilities on the basis of their disability is strictly prohibited. SCTCC shall make reasonable accommodations to ensure access to programs, services, and activities as required by law. Access means that a qualified individual with a disability will
not be excluded from participation in or be denied the benefits of the services, programs, or activities, nor will the individual be subjected to discrimination.

SCTCC encourages students to follow the processes outlined below prior to involving resources outside of the college. However, students do have a right to file a complaint directly with the United States Department of Education, Office for Civil Rights.

Grievance procedures must be filed/started within twenty (20) days of the incident. After twenty (20) days, it is the student’s responsibility to provide information/documentation that supports reasoning/consideration for the delay.

**Grievance Procedures—Accessibility Services**

Grievance procedures listed below apply to situations in which a student followed established processes/procedures to request reasonable accommodations for a documented disability and the request was denied or not provided. Grievance procedures may also be applicable to situations in which the implementation of approved accommodations did not meet his/her specific needs.

1. Students with a grievance/complaint are encouraged to first discuss the concern with involved parties directly, if possible, and to mutually agree upon a resolution.

2. If resolving the concern informally with the involved person is not possible, or a resolution cannot be made, a complaint may be brought forward to Accessibility Services. (If the concern involves a member of the Accessibility Services staff, skip to Step 3.)

**Academic Integrity**

Academic dishonesty is considered a disciplinary offense under St. Cloud Technical and Community College's Student Code of Conduct. Academic dishonesty is defined as the submission of false academic records, cheating, plagiarism, altering, forging, or misusing a college academic record, acquiring or using test materials without faculty permission, acting alone or in cooperation with another to falsify records or to obtain dishonest grades, honors, or awards. Any acts of academic dishonesty will be subject to disciplinary actions and could result in sanctions as described in the College’s Student Code of Conduct. Students are ensured due process in academic misconduct situations.

**Attendance**

In order to be successful, regular attendance is expected of all St. Cloud Technical and Community College students. Active participation and being present is an important indicator of student success. Students should notify the instructor when an absence is necessary, if possible, before missing class. It is the student's responsibility to contact the instructor for possible assignment completion. Each faculty member determines class attendance guidelines consistent with the course objectives, and this is communicated to students in the course syllabus.

**Nondiscrimination Policy**

*See Minnesota State Policy 1B.1*

**Policy Statement**

St. Cloud Technical and Community College and Minnesota State Colleges and Universities are committed to a policy of nondiscrimination in employment and education opportunity. No person shall be discriminated against in the terms and conditions of employment, personnel practices, or access to and participation in programs, services, and activities with regard to race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, or sexual orientation. In addition, discrimination in employment based on membership or activity in a local commission as defined by law is prohibited.

Harassment on the basis of race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, or sexual orientation is prohibited. Harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with persons having business at or visiting the educational or working environment. Harassment may include, but is not limited to, verbal harassment or abuse, implied or overt threats, physical acts of aggression, etc., which have the effect of substantially or unreasonably interfering with an individual’s employment, education, use of college services, or participation in college events or activities.

This policy is directed at verbal or physical conduct that constitutes discrimination/harassment under state and federal law and is not directed at the content of speech. In cases in which verbal statements and other forms of expression are involved, SCTCC will give due consideration to an individual’s constitutionally protected right to free speech and academic freedom. However, discrimination and harassment are not within the protections of academic freedom or free speech. The system office, colleges, and universities shall maintain and encourage full freedom, within the law, of expression, inquiry, teaching, and research. Academic freedom comes with a responsibility that all members of our education community benefit from it without intimidation, exploitation, or coercion.
This policy shall apply to all individuals affiliated with Minnesota State Colleges and Universities, including, but not limited to, students, employees, applicants, volunteers, agents, and Board of Trustees, and is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation or reprisal. Individuals who violate this policy shall be subject to disciplinary or other corrective action.

Investigation and Resolution
This procedure is designed to further implement Minnesota State Colleges and Universities policies relating to nondiscrimination by providing a process through which individuals alleging violation of Board Policy 1B.1 Nondiscrimination in Employment and Education Opportunity may pursue a complaint. This includes allegations of retaliation, discrimination, or harassment based on sex, race, age, disability, color, creed, national origin, religion, sexual orientation, marital status, or status with regard to public assistance. In addition, discrimination in employment based on membership or activity in a local commission as defined by law is prohibited.

Any individual who believes she or he has been or is being subjected to conduct prohibited by Board Policy 1B.1 is encouraged to report the incident to the SCTCC designated officer. The report/complaint should be brought as soon as possible after an incident occurs.

Any student, faculty member or employee who knows of, receives information about, or receives a complaint of discrimination/harassment is strongly encouraged to report the information or complaint to the designated officer.

SCTCC’s Designated Officers (To report discrimination/harassment):
Student Complaints – Chris Loos, Director of Safety and Security office 1-401Y, cloos@sctcc.edu, office 1-401 phone: (320) 308-6158.
Employee Complaints – Deb Holstad, Human Resources Director, office 1-403C, DHolstad@sctcc.edu, office phone: (320) 308-3227.

HIV/AIDS POLICY
St. Cloud Technical and Community College recognizes that infection with the Human Immunodeficiency Virus (HIV) and the subsequent diagnosis of Acquired Immunodeficiency Syndrome (AIDS) has the potential to interfere with the educational process. St. Cloud Technical and Community College recognizes AIDS to include a diagnosis of the end-stage disease AIDS along with symptomatic or asymptomatic conditions within the spectrum of HIV infection. While it is recognized that there is no evidence that the virus is transmitted in casual contact settings such as schools, there are students in given programs at high risk due to exposure to body fluids. Therefore, the role of the educational system is to respect the rights of individuals with HIV infection regarding education, privacy, and freedom from discrimination; to respect the rights of others in the system to be educated in a safe environment; and to educate administrators, staff, and students about preventing the risk of HIV transmission.

Handicap/Disability
Infection with HIV and a subsequent diagnosis of AIDS is viewed as a potentially disabling condition through the Americans with Disabilities Act. An individualized plan for education and career/personal development will be developed for each student with a handicapping condition in order to reduce barriers to learning and to maximize the health of the student.
Discrimination
The exclusion of people with HIV/AIDS for any reason constitutes unwarranted discrimination. Therefore, St. Cloud Technical and Community College does not consider the existence of any form of the HIV infection in the initial admissions decision.

Safety Precautions
The environmental precautions for handling all body fluids potentially infected with a bloodborne pathogen such as HIV will comply with the Federal Occupational Safety and Health Administration’s Bloodborne Pathogen Standards (codified under 29 CFR 1910.1030). Students enrolled in programs where blood and other body fluids may be part of the educational program are encouraged to discuss their HIV status with program faculty.

Data Practices/Confidentiality
The privacy rights of staff and students will be protected. No person, group, agency, insurer, employer, or institution will be provided medical information of any kind without the prior specific written consent of the person with HIV/AIDS. The knowledge that staff or students have a chronic infectious disease, such as HIV, will be confined to those persons with written permission as stated above.

Screening/Testing for the Presence of the AIDS Virus
Mandatory screening for the presence of HIV as a condition of employment or enrollment is not warranted. St. Cloud Technical and Community College, however, strongly encourages voluntary HIV screening for students, specifically, but not limited to, those in health programs. Information regarding test results will not be made available to anyone without the specific written consent of the individual.

Enrollment and Attendance of Students with HIV/AIDS
Students with HIV/AIDS may continue their education until such time that their health deteriorates sufficiently to interfere with performance. Determinations for specific precautions and need will be made on a case-by-case basis. The principles cited in the CDC Workplace Guidelines (1989) and Foster Care and Education Guidelines (1985) will be followed.

Campus Security and Crime Awareness
St. Cloud Technical and Community College encourages all students and college community members to be fully aware of the safety issues on the campus and to take action to prevent and to report illegal and inappropriate activities. Personal awareness and applying personal safety practices are the foundation of a safe community. Information covering campus security is presented as part of the student orientation process and at staff and faculty in-service sessions. The College is continually providing information on crime prevention and encourages students, staff, and faculty to be responsible for their own security, as well as the safety and security of others.

Campus Security is the office to which all criminal reports should be made. Everyone on campus (including students, faculty, staff, and visitors) are encouraged to report immediately any and all potential criminal activity to the Campus Security Office, Chris Loos (room 1-401G), and/or the St. Cloud Police Department. In cases of emergency, dial 911 or Campus Security at (320) 308-3333.

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, SCTCC monitors criminal activity for the campus, off-campus sites owned or maintained by the College, and public properties immediately adjacent. These statistics are collected, documented, and
provided for the past three years. Crimes are reported in the following seven major categories: 1) Criminal Homicide; 2) Sex Offenses; 3) Robbery; 4) Aggravated Assault; 5) Burglary; 6) Motor Vehicle Theft; and 7) Arson. The College also reports the following three types of incidents if they result in either an arrest or disciplinary referral: 1) Liquor Law Violations; 2) Drug Law Violations; and 3) Illegal Weapons Possession. In accordance with the Campus Sexual Violence Elimination (SAVE) Act, SCTCC discloses all incidents of domestic violence, dating violence, sexual assault, and stalking in the annual campus security report.

The entire report can be viewed at the Department of Education Security website at https://www2.ed.gov/admins/lead/safety/campus.html, or the SCTCC website at https://www.sctcc.edu/crime-log. If you have any questions or would like a printed version of the SCTCC Annual Security Report, call campus security at (320) 308-6158.

**Trespassing**

Security personnel will issue trespass notices when necessary. Questions or concerns should be directed to the Director of Safety and Security in room 1-401.

**Firearms**

See *SCTCC Policy S5.11 – Possession or Carry of Fire Arms*

No person is permitted to carry or possess a firearm on system property except as provided by SCTCC policy.

**Star Alert**

Star Alert is a free SCTCC emergency notification system that makes it possible for students and employees to receive notices of campus-related emergencies via text, email, and voice alerts. All students and employees will automatically receive notifications to their SCTCC email account. If you would like to receive messages in other ways such as on your mobile phone, personal email, or home phone, please visit http://www.sctcc.edu/star-alert to sign up.

**EMERGENCY RESPONSE PLANS**

Emergency response plans for each building have been posted inside each classroom, conference room, and office suite. These RED flip charts provide guidance to faculty, staff, and students in case of emergency. Please read these charts and become familiar with procedures in your area.

**Active Threats (Active Shooter)**

St. Cloud Technical and Community College has adopted the run, hide, fight procedure when responding to an active threat. In the unlikely event that an active threat is present in one of the buildings at SCTCC, administration strongly suggests that you take the following actions:

**RUN:** If you are in an area where you feel safe to do so, flee from the building immediately.

**HIDE:** If you are unable to run away from the threat, find a nearby lockable room and take shelter.

**FIGHT:** As a last resort, if an active threat is in your immediate vicinity, defend yourself.

Use the above option that best fits the situation that you are in based upon the details that you are aware of regarding the known threat. Also, realize that options are fluid and will change as the threat conditions evolve.
changes. This practice is designed to allow students to use their best judgement to help keep themselves as safe as possible.

The Department of Safety and Security is available to answer questions or provide additional resources. Please contact Chris Loos, Director of Safety and Security, at (320) 308-6158 or cloos@sctcc.edu.

Fire Alarms
Students should know the fire alarm procedures for their location in the building.
1. Leave immediately and proceed outdoors with the last person closing the door.
2. Walk fast but do not run.
3. The first person out props the door open or holds it open.
4. Stay outside until the fire department signals the “all clear.”
5. Obey the fire alarm even if there is reason to believe the alarm was set off accidentally.
6. Keep all roadways clear for possible fire trucks or ambulances.

Tornado/Severe Weather Procedure
The safest areas are:
1. Hallways away from large glass areas
2. Classrooms and offices away from outside walls and windows
3. Bathrooms
4. In the event of a tornado warning or drill, the second floor must be completely evacuated.
Students and staff will proceed to the first floor hallway. Things to do:

- Close hallway door.
- Do not stop to open or close windows.
- Sit down in designated area. Leave a passage open in the center of the hallway. The tornado warning will be announced over the intercom system instructing the staff to proceed with a tornado emergency. Do not leave the building until the all clear has been announced.

LeadMN
Every student of St. Cloud Technical and Community College is a fee-paying member of the Minnesota State College Student Association (LeadMN). LeadMN has often been referred to as the “State Student Senate.” LeadMN works on behalf of all students with Minnesota State, the Legislature, and the Executive Branch of state government. The LeadMN Executive Board meets once a month and is made up of an Executive Cabinet consisting of President, Vice President, Legislative Liaison, and Treasurer, as well as a representative from each of the state’s nine regions. St. Cloud is a member of the Central Region, along with Ridgewater College—Willmar and Hutchinson campuses--and Alexandria Technical and Community College.

LeadMN holds two working conferences each year. Members of the SCTCC Student Senate Executive Cabinet will attend both conferences to represent and vote on behalf of St. Cloud students.

LeadMN recognizes the importance of Student Government on each campus. They define the purpose of Student Government as follows:

“Student Government is an important element in the life of a college community and is also important as an educational experience for students on a campus. It is essential that campus student senates be maintained as strong, effective organizations that provide leadership in representing the needs and viewpoints of the students. Involvement in
Campus governance provides student participants opportunities to develop individual leadership skills, gain experience in policy development and legislative relations, and to develop an understanding of the decision-making process.”

Student Recognition Programs/Commencement
The Student Senate sponsors the Student Recognition and Awards Program as well as the commencement ceremony for students who have completed, or will be completing, their degree/diploma over the course of the year. Prior to the commencement ceremony, the Student Senate sponsors the Recognition and Awards Program. During the program, students will be recognized for their involvement in extracurricular activities and service contributions that enhanced the quality of student life at St. Cloud Technical and Community College.

Lockers
Students may rent a locker for a non-refundable processing fee per academic year (Fall and Spring semesters or any portion thereof). The fees will be posted annually at www.sctcc.edu/tuition. Students must be actively enrolled in a college major to maintain a locker. Withdrawal from college or classes will terminate the student’s ability to use the locker. This privilege is extended to students on the basis that the locker is to be kept in good condition. The College reserves the right to inspect lockers for articles threatening the health and safety of the college community as well as to obtain the return of college property.

Students are asked to keep the locker combination number confidential. Locker assignments are available through the Admissions Office. The College is not responsible for lost items. All lockers must be emptied at the end of the academic year. Any items left in the locker at the end of the academic year will be disposed of by the College. The College is not responsible for articles left in lockers.
