Paramedicine Program Description
The Paramedicine Program is a full-time program that begins each fall semester.
The Paramedicine program is 5 semesters:
- Fall semester 1
- Spring semester 2
- Summer semester 3
- Fall semester 4
- Spring semester 5

18 students are accepted each fall semester.
It is a competitive program that requires a 2-application process.

Paramedics are faced with initiating care to acutely ill and injured patients in limited conditions. Lifesaving procedures and decisions are determined in an instant.
Graduates of the paramedicine program receive a high level of training to provide advanced care through medications and invasive procedures in the pre-hospital and hospital environment.
Our graduates put their skills to work for private ambulance companies, hospitals, emergency flight services (both helicopter and airplane), industry and city health agencies, fire departments and law enforcement agencies. Paramedics also can incorporate their training in other career fields like park services and ski patrol.

Paramedicine Careers
Career choices include Paramedic, Emergency Department Technician, and Flight Paramedic.

Potential employers include ambulance services, hospitals and urgency rooms, flight services (helicopter and airplane) event coverage industry and city health agencies, fire departments and law enforcement agencies. Paramedics also can incorporate their training in career fields like park services and ski patrol.

- The three-year placement rate for the Paramedicine program is 100%.
- The average Central MN hourly salary range is $18.00 per hour.
Academic Advising Center – Current Student Advising Meetings

Current students are required to meet with an advisor at least once a semester to receive a registration access code and review their academic plan.

We encourage students to visit more often with any questions or concerns they may have.

We are here to align you with resources that are available and help guide you through your educational journey at SCTCC!

Definition of a Current Student is one that has:
- Completed the Admissions process and fully accepted to SCTCC AND
- Completed e-orientation and scheduled an initial appointment with an academic advisor OR
- Currently registered for classes at SCTCC as a current, accepted student.
