Practical Nursing Program Description
The PN program offers a full-time AND a part-time option with a fall semester AND spring semester start dates.

- **Full time:**
  - 2-semester program (fall and spring OR spring and fall)
  - 50 students accepted each start date

- **Part-time:**
  - 4-semester program
  - fall, spring, fall, spring OR spring, fall, spring, fall
  - 8 students accepted each start date

It is a competitive program that requires a 2-application process.

St. Cloud Technical and Community College’s (SCTCC) Practical Nursing (PN) program is designed to provide learning opportunities in various settings where students work closely with physicians, registered nurses and other health care professionals in the delivery of delegated medical care and skills. In addition, assistance is provided to individuals to meet their basic human needs.

The program stresses meeting basic needs within the framework of normal growth and development throughout the life span. Learning experiences are developed utilizing the nursing process as a framework for training the practical nursing student. Emphasis is placed on safe practice and the role of the Licensed Practical Nurse. Past experience, the study of sciences, and personal initiative are all considered important for success in this program. The program is fully approved by the Minnesota Board of Nursing.

The Practical Nursing Program provides a foundation for career mobility with associate or baccalaureate professional nursing programs.

Practical Nursing Careers
Potential employers include Hospitals, Clinics, Long Term Care facilities, Assisted Living, Clinics, Schools, Hospice, Industrial/ Occupational Health

- The three-year placement rate for the Practical Nursing program is 99%.
- The average Central MN hourly salary range is $21.00 per hour.
**Academic Advising Center - Current Student / Advisor Meetings**

Current students are required to meet with an advisor at least once a semester to ensure they are preparing for the PN application. Students will receive a registration access code and review their academic plan.

We encourage students to visit more often with any questions or concerns they may have.

We are here to assist you with resources that are available and help guide you through your educational journey at SCTCC!

**Definition of a Current Student** is one that has:
- Been fully accepted to SCTCC by completing e-orientation and scheduled an initial appointment with an academic advisor **OR**
- Currently registered for classes at SCTCC as a current, accepted student.

Academic Advising Center: 320-308-5741
