S3.29 Withdrawal from SCTCC and the Return to Title IV Refund Policy

Update Revision Responsibility: Vice President of Administration

If a student completely withdraws from all credits before the 60% point of the semester, his/her financial aid is subject to the “Federal Return to Title IV” refund policy. Under this policy, students earn financial aid in proportion to the time they are enrolled up to the 60 percent point. The unearned share of the federal financial aid must be returned to the program from which it was paid as prescribed by federal regulations in the following order:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. PLUS Loan
4. Federal Pell Grant
5. Federal SEOG

For example, if a student withdraws after completing 30% of the term, s/he is entitled to keep approximately 30% of his/her financial aid and must repay the remaining 70%.

After the 60% point of the semester, the student is considered to have earned all of the financial aid eligibility and no refund is required for withdrawal.

Official Withdrawal: When the student officially withdraws from all courses after the semester begins, the Financial Aid Office will use the withdrawal date to determine the portion of the Federal Title IV aid earned (or could have been earned) to be used to pay institutional charges (such as tuition and fees).

Unofficial Withdrawal: A student is said to be unofficially withdrawn if they stop attending and do not receive passing grades in all classes. For a student who has been determined to have unofficially withdrawn, the date of withdrawal for purposes of the Return of Title IV refund calculation is deemed to be the last date of attendance recorded by the faculty at grading.

Timeframe for R2T4 calculation: Federal regulation requires the college to calculate the Return to Title IV refunds within 45 days of determining an official or unofficial withdrawal date.

Post Withdrawal Disbursement: In some cases, a student may withdraw from all courses before aid has disbursed. A post withdrawal disbursement is done when a student shows they have withdrawn from all of their classes prior to financial aid disbursement but began attendance in all courses and are qualified for some (earned) aid. Post-withdrawal disbursements will be paid...
within 45 days of the date the college determined the student withdrew and loan funds within 180 days of that date.

For Pell grant eligibility only, the earned portion of the grant is disbursed to the student account and a letter is sent to student to notify them of their eligibility and right to return funds within 45 days on the date letter was issued.

For loan eligibility, a notice is sent to the student before any funding will be processed. The student must tell the College if they want it disbursed to them directly or to their student account.
