**Definition Gifts In-Kind**

Gifts In-Kind refer to contributions of products or inventory to the college.

**Purpose**

This policy establishes the conditions under which gifts in-kind may be accepted by the college and assigns authority for such acceptance.

**Conditions for Acceptance**

Authority to accept gifts in-kind is provided under Minnesota Statute 136F.80 and outlined in MnSCU Board Policy 7.7- Gifts and Grant Acceptance. Under that policy St. Cloud Technical and Community College is authorized to accept all gifts and grants made to St. Cloud Technical and Community College with the exception of real property, on behalf of the Board of Trustees. All gifts or real property must be formally accepted by the MnSCU Board of Trustees and shall be subject to appropriate due diligence and conformance with the campus facilities master plan. Gifts of over \$50,000 will be reported to the MnSCU Board of Trustees.

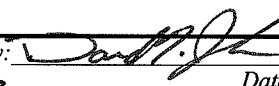

- a. Gifts In-Kind should enhance either the college's day to day operations or its mission and goals. Therefore, the college should not accept gifts that are obsolete, damaged or unrelated to its mission/operations. The college will not accept donations of hazardous waste.
- b. The following must also be considered before accepting gifts in-kind
  - a. Any potential tort liability
  - b. Any conflicts of interest
  - c. The cost of altering, operating or maintaining the gift property
  - d. Any taxes or special assessment that must be paid to the transfer of the gift title

**Responsibility**

An administrator will deem the gift appropriate for acceptance by signing documentation as described in corresponding SCTCC procedure. All paperwork related to a gift in-kind will be forwarded to the Business Office, Director of Development and President's Office.

The SCTCC President will acknowledge the accepted gift in-kind in writing (have a letter drafted for the President's signature). The Director of Development will also acknowledge the accepted gift in-kind in writing. The purchasing department will record all accepted gifts in-kind as part of the official college inventory (per MnSCU policy 7.3.6-Capital Asset) and provide the Vice President of Administration with a report on such gifts at the end of each fiscal year.

## S7.1.1 Accepting Gifts In-Kind Procedure

Gifts In-Kind will be reviewed, accepted, inventoried and recorded according to the following steps:

1. Prior to accepting a gift in-kind, the appropriate administrator will deem the gift suitable for acceptance based on criteria included in SCTCC's Policy Acceptance of Gifts In-Kind.
2. The administrator will complete and sign the attached SCTCC acceptance form and forward copies to the Purchasing Agent, Director of Development and President's Office. When a gift in-kind is valued at \$50,000 or more by the donor and given directly to the college, the attached MnSCU Gift and Grant Acceptance Reporting Form must also be completed. This MnSCU form is not required when gifts in-kind are given to the St. Cloud Technical and Community College Foundation.
3. If the gift in-kind is not deemed suitable for acceptance, the appropriate administrator will contact the prospective donor to communicate the college's decision regarding acceptance of the gift.
4. A letter acknowledging receipt of the gift will be sent to the donor by the College President and the Director of Development, respectively. Copies of the letters shall be forwarded to the Vice President of Administration's Assistant.
5. For income tax purposes, it is the responsibility of the donor to determine the fair market value of the gift. College personnel must not take on this role. To determine eligibility to claim the charitable deduction, donors will be advised, by the appropriate administrator, to complete IRS Form 8283 if their total tax deductible gifts exceed \$500 in a given year. The donor will also be advised that a "qualified appraisal" is required for a single non-cash gift over \$5,000 in order to complete IRS Form 8283. The appropriate administrator will sign this IRS form acknowledging receipt (not value) of the gift.
6. If the donated item is a motor vehicle, boat or airplane, additional reporting requirements apply. The use of the item, whether the College will retain or sell the item, must be declared at the time the gift is accepted. Please contact the Business Office before accepting a gift of a motor vehicle, boat or airplane.
7. If the gift in-kind is valued at less than \$25, no letter of acknowledgement will be sent by the College.
8. If the gift is valued at more than \$50,000 or is real property, the Vice President of Administration will report the gift to the MnSCU Chancellor's Office for approval by the MnSCU Board of Trustees.
9. In the event that the college sells the gift within two years of receipt, it must file an information return (IRS Form 8282) with the Internal Revenue Service naming the original donor and the sale price.
10. The College Purchasing Agent will inventory and report the gift in accordance with MnSCU Board Policy 7.7.
11. The Business Office will maintain a list of gifts in-kind and report annually to the college president and the MnSCU Board of Trustees.
