*St. Cloud Technical & Community College has partnered with Ridgewater College to bring you a quality, flexible training program. Through online and in-person training, participants will gain knowledge and understanding in order to obtain state and national certifications.*

### NOTES:

- Fee includes book, BLS (CPR) certification and FISDAP exam fees
- National Registry exam for EMT candidates is not included in course fee
- Due to the accelerated format, self-study is highly recommended
- Students must be able to pass a background check in order to become licensed in the State of Minnesota
